Leveraging our deep expertise in local regulations and market dynamics, we guide clients through setting up operations, ensuring compliance, and navigating the regulatory landscape. Beyond business registration, our services include HR solutions, strategic consultations, and coworking spaces, all designed to foster long-term relationships and support clients in capitalizing on Saudi Arabia's evolving economic opportunities.

Three Investment ways in Saudi Arabia

01

Ministry of Investment (MISA)

Investing through the Ministry of Investment provides a range of opportunities in Saudi Arabia. MISA offers various licenses to meet different business needs.

02

Free Zones

Saudi Arabia's Free Zones offer a host of benefits for businesses, including tax incentives and simplified regulations. To establish a company in a Free Zone, you must either have an existing company worldwide or hold a premium residency.

03

Premium Residency

The new premium visa streamlines your entry into Saudi Arabia with options tailored to your budget and preferences. To obtain this visa, you need to submit all your personal information.

Ministry of Investment (MISA)

The journey of the investor in Saudi Arabia begins with the Ministry of investment

➤ **Submitting The parent company attested documents**

The required documents to set up a business in Saudi Arabia are , the original documents from the parent company, including the Commercial Registration (license), Articles of Association, last year's Audit Reports, and Power of Attorney. These documents must be attested either by the Saudi embassy or through an Apostille in the country where the company is registered.

➤ **Obtaining The Approval From The Ministry Of Investment (MISA)**

After submitting the attested documents , An approval from the Ministry Of Investment (MISA) will be received.

➤ **Issuing The Investment License**

Once receiving approval from the Ministry of Investment, the investment license will be issued based on the business activity selected by the investor.

01
Step

02 Step

Ministry Of Commerce (MOC)

- **Trade Name Reservations**
A trade name will be reserved according to the investor's selection and in accordance with the trade name regulations in Saudi Arabia.
- **Issuing The Article Of Association**
- **Issuing The Commercial Registration**
- **Registration In The Chamber Of Commerce**
Registering the investor's company with the Chamber of Commerce requires the appointed general manager to visit Saudi Arabia and sign the relevant documents in person. This process allows the government to verify the general manager's signature.

Ministry of Human Resources And Social Developments

- **Opening a Account in the Ministry of Human Resources And Social Developments**
- **Subscribing In Qiwa Platform**
Enrolling the General Manager on Qiwa Platform to manage all employee services
- **Issuing The Visa Of The General Manager**
