PROFESSIONAL EXPERIENCE

Sep 2020 – Present: Nasser Lootah Real Estate, Dubai, UAE as Senior Accountant

Growth Path: Accountant (Sep 2020 – Sep 2022) → Senior Accountant (Sep 2022 – Till Date)

Preparing and maintaining statutory books of accounts and reconciliation of financial statements in compliance with the norms, presenting a true and fair view of the financial position of the company by way of timely preparation of annual reports. Earned rapid promotions and scaled up to the level of Senior Accountant to Accountant Position

- Senior Accountant**
- **Financial Oversight:** Managing the complete accounting cycle, optimizing financial processes and presenting accurate reports to senior management
 - **Monthly Closing & Data Reporting:** Taking full ownership of monthly closing procedures, thus ensuring timely financial data submission to leadership
 - **Financial Planning & Budgeting:** Providing assistance to the Chief Accountant/Finance Manager in preparing financial reports & budgets, ensuring compliance with IFRS standards
 - **Internal Control Review:** Implementing a robust internal control framework through system compliance, ensuring risk mitigation and financial integrity across business operations.
 - **Petty Cash & Bank Payment Verification:** Responsible for ensuring proper cash flow management by verifying bank payments and petty cash transactions
 - **Year-End Audit Coordination:** Partnering with external auditors to ensure seamless year-end financial assessments and supporting the Chief Accountant in maintaining compliance during interim and annual audits
 - **Compliance Management:** Managing VAT return filings, overseeing the preparation and submission of quarterly and annual VAT returns to the Federal Tax Authority (FTA) while ensuring full compliance with UAE VAT regulations and accurate reporting
 - **Regulatory Audit Support:** Assisting in internal audit procedures by identifying areas for improvement and ensuring adherence to internal controls and company policies

- **Receivables Monitoring & Reporting:** Preparing detailed A/R reports, tracking outstanding payments, and coordinating with legal teams for non-payment cases:
 - Revenue reconciliation, managing receivable ageing reports, and comparing with budget at the unit level
 - Working with legal, leasing, tenants & asset management on payment deferrals
 - Investigating delayed payments, compiling overdue receivables, and reporting to the CFO
 - Reviewing monthly budgets, tracking actual expenses, and resolving discrepancies with the Facility Manager
- **Collection Management:** Ensuring the timely collection of dues, conducting weekly receivables analysis, and managing bounced cheque resolutions
- **Team Leadership:** Leading and mentoring a diverse finance team of 5 members, fostering knowledge sharing, improving team efficiency, and promoting a collaborative environment
- **Payroll Computation:** Handling salary calculations, final settlements, and leave settlements, thus ensuring precise accruals
- **Data Analysis & Reporting:** Preparing ad-hoc reports and conducting "what-if" analysis in collaboration with cross-functional teams to support data-driven decision-making
- **Payment Management:** Verified supporting documents and executed timely payments to suppliers, vendors, and contractors
- **Standard Operating System (SOP) Development:** Liaised with the bank to manage financial facilities and oversee daily operations while collaborating with an external firm to define workflow processes for SOP development, ensuring precise documentation and seamless implementation work

Accountant

- **Bank Reconciliation Management:** Prepared bank reconciliation statements, identified discrepancies, and implemented corrective actions to maintain financial accuracy
- **Cash & Cheque Handling:** Managed the collection of cash and cheques from tenants, issued official receipts, and ensured prompt deposits to the bank for seamless cash flow
- **Tenant Billing & Invoicing:** Generated and issued invoices for rental charges, utilities, chilled water consumption, and waste collection services, ensuring timely payment processing
- **Tenant Refund Processing:** Oversaw the calculation and disbursement of tenant refunds, ensured compliance with financial policies and lease agreements
- **Lease Activation & Renewal:** Executed the activation of new and renewed lease agreements before month-end closing, ensured smooth contract transitions and financial accuracy
- **Leasing Commission Computation:** Calculated commission pay-outs for the leasing team based on successfully closed rental deals
- **Accounts Receivable & Aging Report:** Prepared and analysed monthly accounts receivable and aging reports, tracked outstanding balances, and implemented follow-up strategies to improve collections
- **Bounced Cheque Reporting:** Compiled and maintained a comprehensive monthly report on bounced cheques, coordinated with relevant stakeholders for recovery and resolution

Jul 2018 – Jul 2020: Royal Care Medical Centre (Hospitality) as General Accountant

- Managed and reconciled petty cash transactions, ensuring accuracy and proper documentation
- Assisted in the preparation and reconciliation of insurance and bank statements, ensured accuracy and promptly resolved discrepancies
- Performed inventory audits and rectified inconsistencies to uphold accurate stock records
- Streamlined coordination with external auditors by supplying essential documentation and facilitating a seamless audit process

2015 – 2018: Farooq Hospital, Pakistan as Accountant

- Contributed to the preparation of financial reports, variance analysis, and strategic insights to support data-driven decision-making
- Assisted in monitoring cash flow, controlling expenses, and optimizing financial resources to enhance operational efficiency
- Reviewed and authorized bank transactions, reconciled discrepancies, and ensured the timely execution of fund transfers
