SUMMARY

I am a strategic Finance Manager with 13 years of extensive experience in financial management, budgeting, and forecasting. I am proficient in Zoho Finance and SAP, enabling me to streamline financial operations. With an MBA, I focus on optimizing processes, leading teams, and enhancing organizational growth through data-driven decision-making.

EXPERIENCE

Finance Manager
Volta Battery Recycling Factory

04/2019 - 11/2024 Doha Qatar

A leading factory specializing in battery recycling in Doha, Qatar.

- Lead financial planning, analysis, and reporting activities to support executive decision-making for revenue organization.
- Implemented SAP-based automation tools, reducing financial close cycle time.
- Spearheaded the integration of Zoho Finance software, improving accuracy and efficiency in accounting processes.
- Developed detailed budgets and forecasts, ensuring accuracy in projections.
- Supervised a team of finance professionals, providing mentorship and improving team productivity.

Financial Accountant & Administration
Al Manhal Contracting L.L.C

03/2014 - 02/2019 UAE

A company focused on contracting and project management in the UAE.

- Conducted detailed financial analysis, contributing to a 12% increase in profitability.
- Developed financial models and variance analysis reports for senior management.
- Played a key role in the successful implementation of a new financial ERP system.
- Mentored junior analysts, fostering a collaborative team environment

Accountant
White Way Trading & Contracting Co

06/2008 - 01/2011 Doha Qatar

- A trading and contracting company based in Doha, Qatar.
- Reviewed company financial records, reports, and other information to check for accuracy.
 - Discussed the status of the company's current financial standing with upper management.
 - Audited financial records from previous years and the current fiscal year.
 - Managed a new system of record-keeping for employee spending, payments, and invoices.
