MY PROFILE:

The experience has given me a basic understanding in academic activities, organizational ethics, and sound exposure to my area of interest. I am an adaptive learner, fast-grasper, self-motivated and a person with loyalty and integrity.

Apply my knowledge, experience and skills With a Diploma in Civil Technology and extensive experience in **field monitoring, supervision, and site inspection**, I am confident in my ability to contribute effectively to your team. My background includes overseeing construction projects, ensuring compliance with safety standards, and managing teams to maintain high-quality work. Additionally, my knowledge of **Safety and DRR** regulations further strengthens my ability to maintain a safe and compliant work environment for the growth and success of a progressive institution where my capabilities are optimally utilized for long-range career opportunities.

ACADEMIC RECORDS
