

**Dr. Pramod N. Nair, MSc, MBA, PhD**

HSE Manager. Electrical Vehicle Infrastructure Company (EVIQ)

Phone: +966 563038417

Email: pnnairin@gmail.com

**Professional Summary**

Environmental and Occupational Health professional with 16+ years of experience across biodiversity conservation, environmental health and safety (EHS), industrial hygiene, and ESG compliance. Proven expertise in implementing strategic environmental management systems, occupational risk control, and regulatory compliance in both academic and industrial settings. NEBOSH IGC certified, with a PhD in Forest Genetics and extensive hands-on experience in health risk assessment, stakeholder engagement, and environmental policy development.

**Key Skills & Competencies**

- Industrial Hygiene & Occupational Health
- Hazard & Risk Assessment (HIRA), Control Measures
- Environmental & Social Impact Assessment (ESIA)
- Biodiversity Conservation & Ecosystem Management
- Environmental and Social Safeguards
- Environmental Impact Assessment (EIA) & Strategic Environmental Assessment (SEA)
- Climate Change Adaptation & Mitigation
- Project Management & Stakeholder Engagement
- Policy Development & Regulatory Compliance
- Occupational Health & Safety (OHS) Standards

**Education & Certifications**

- **PhD in Forest Genetics** – Forest Research Institute University, India (2009)  
*Thesis: Assessment of the Impact of Human Disturbance on Genetic Diversity in Teak through DNA Marker Studies*
- **MBA**– Anna University, Chennai, India (2012)
- **MSc (Biotechnology)** – Bharathidasan University, India (2002)
- **NEBOSH** International General Certificate (IGC) in OHSE (2024)
- **Certificate in Project Management (Level A)** (2021)

**Professional Experience**

**HSE Manager – Electric Vehicle Infrastructure Company EVIQ**  
**Saudi Arabia | Sep 2024 – Present**

- As HSE Manager at EVIQ, I oversee safety policies, coordinate with clients and subcontractors, and ensure HSE integration across all business activities.
- Making Health, Safety Environment and Social Governance Policies for the Electrical Vehicle Infrastructure Company.

- Leading the development and execution of company-wide HSE and ESG frameworks.
- Developing and enforcing safe work procedures for biological exposure, noise, ergonomics, and confined space operations.
- Leading toolbox talks, internal audits, risk control planning, and waste management strategies

**Scientific Writer – Neuome Technologies Pvt. Ltd.**  
**Bangalore, India | Aug 2023 – Jul 2024**

- Authored research publications, research articles, technical reports, and environmental policies related to biodiversity conservation and sustainability.
- Conducted literature reviews and policy analysis on environmental safeguards.
- Developed training manuals and standard operating procedures (SOPs) for environmental assessments.

**Assistant Professor & Head – Fiji National University (CAFF)**  
**Fiji Islands | Jun 2013 – Dec 2022**

- Led research in **forest biodiversity, genetic conservation, and ecosystem resilience.**
- Developed curricula and courses on **environmental science, conservation biology, and climate change adaptation.**
- Supervised research on biodiversity management and environmental sustainability.
- Engaged with policymakers on environmental policies and natural resource management.

**Research Associate – National Research Centre on Meat**  
**Hyderabad, India | Feb 2010 – Mar 2013**

- Conducted **biodiversity assessments and genetic resource conservation studies.**
- Worked on sustainable livestock production and **climate resilience in agriculture.**
- Organized capacity-building programs on environmental sustainability and conservation.

**Research Associate – Centre for Cellular & Molecular Biology (CCMB)**  
**Hyderabad, India | Mar 2008 – Sep 2008**

- Conducted **wildlife genetic diversity studies and population monitoring** for endangered species.
- Developed methodologies for **DNA fingerprinting and non-invasive wildlife monitoring.**
- Collected and analyzed biodiversity data for conservation planning.

**Publications & Research Contributions**

Author of **15+ peer-reviewed journal articles** and **3 book chapters** on environmental sustainability, biodiversity conservation, and genetic diversity. Key contributions include:

1. **Impact of anthropogenic disturbances on teak genetic diversity** (Research Journal of Biotechnology, 2015)

2. **Evaluation of soil nutrient dynamics in forest and agricultural ecosystems** (Plant Science Today, 2022)
3. **Genetic resource deployment for climate-smart agriculture in Pacific Islands** (Fiji Agriculture Journal, 2020)

**In Press:**

1. Importance of Environment and Social Governance Relates to Greening the Environment in Saudi Arabia
2. **"Role of Artificial Intelligence in Occupational Health, Safety, and Environment (OHSE)"** for consideration in the upcoming book, "Predictive Models in Biology: Charting the Future with AI. (Taylor and Francis)

## **Technical & Analytical Skills**

- **Environmental Compliance Tools:** IFC Performance Standards, Safeguard Policy Statement (SPS)
- **Genetic & Ecological Modeling:** DNA Barcoding, SNP Techniques, Species Distribution Modeling
- **Project Documentation & Report Writing:** Environmental Management Plans (EMP), EIA Reports, Biodiversity Action Plans (BAP)

## **Professional Affiliations & Achievements**

- Editorial Board Member, **SCIREA Journal of Biology**
- Best Teaching Personnel Award, **Fiji National University (2021)**
- UNEP Training on **Ecosystem-based Disaster Risk Reduction & Climate Adaptation** (Bangkok, 2015)

## **Languages**

- **English:** Fluent
- **Hindi, Tamil & Malayalam:** Fluent

## **Declaration**

I hereby declare that the information provided above is accurate and complete to the best of my knowledge.

**Place:** Riyadh, Saudi Arabia

**Date:** 12-May-2025
