Additional Information

NATIONAL SERVICE SCHEME (NSS)

As an active NSS (National Service Scheme) volunteer, I participated in a 7-day special camp focused on community and social awareness development and social awareness activities. The camp was led by a team leader on activities. The experience helped me develop teamwork, leadership, and social responsibility. Additionally, I took part in a nature camp at Idukki Wildlife Sanctuary, where I learned about wildlife conservation, forest ecology, and the importance of preserving biodiversity. The camp included trekking, environmental awareness sessions, and interaction with forest officials.
