SUMMARY

As a highly skilled Debrief Team Leader with over 5 years of experience, I have managed and led a team of analysts to conduct post-mission debriefs. I utilized active listening and critical thinking skills to identify areas for improvement and develop actionable recommendations. I collaborated with mission planners to ensure mission success and readiness, streamlining debrief processes by 30%. I also trained and mentored new team members, resulting in improved performance and increased job satisfaction. My expertise and leadership skills have contributed to operational effectiveness and mission success.
