Professional Summary

Accomplished Senior Architect and Assistant Project Manager with over 10 years of diverse experience in architectural design, project lifecycle management, and retail development across Saudi Arabia and the UAE. Demonstrated success delivering complex commercial, retail, and office projects from concept through execution. Proven ability to manage large-scale renovations, oversee contractor coordination, and ensure alignment with client goals, brand standards, and sustainability practices. Adept in AutoCAD, BIM, and construction management software. Skilled in stakeholder engagement, fit-out supervision, and cross-functional team leadership.
