SENIOR ACCOUNTANT | PAYROLL OFFICER

+966557453579 | khizarabbas225@gmail.com | Iqama Status: Valid and Transferable | Address: Riyadh Saudi Arabia

PROFESSIONAL SUMMARY

Highly dedicated and detail-oriented **Payroll** and **Accounts professional** with over 9 years of progressive experience in payroll administration, financial reporting, and project-based accounting. Demonstrated expertise in ensuring accurate payroll processing, managing compliance with local labor laws, and supporting organizational goals through effective financial controls and reporting. Known for maintaining confidentiality, meeting tight deadlines, and streamlining financial workflows. Adept at working collaboratively across departments and committed to continuous improvement, operational efficiency, and professional excellence.

PROFESSIONAL EXPERIENCE

SENIOR ACCOUNT OFFICER

Jun2019-Jul2024

RURAL COMMUNITY DEVELOPMENT PROGRAM (RCDP) – *Pakistan*

JOB RESPONSIBILITIES

- Oversaw the complete accounting cycle including the preparation, posting, and verification of journal entries, maintaining the general ledger, reconciling accounts, and closing books on a monthly and annual basis.
- Managed the processing of all financial transactions related to project operations, including disbursements, advances, reimbursements, and recoveries, ensuring accuracy and accountability through MIS (Management Information System) and FIS (Financial Information System).
- Ensured timely and accurate reconciliation of all project-related accounts with the central accounting system, identifying and resolving variances to maintain audit-readiness and financial accuracy.
- Conducted thorough financial reviews of disbursement requests by verifying supporting documents, compliance with funding agreements, and organizational financial policies before processing payments.
- Maintained project-wise cost centers and profitability tracking tools to analyze the financial viability of ongoing projects and provide insights on budget forecasting, cost containment, and fund reallocation strategies.
- Ensured adherence to financial policies, donor guidelines (including USAID, UNDP, and other international development partners), internal control standards, and statutory regulations, thereby upholding the financial integrity of the organization.
- Supported budget planning and annual forecasting activities by collaborating with program teams to align financial plans with project goals and deliverables, and ensured the availability of funds for scheduled activities.
- Trained junior accounting staff and field finance teams on financial procedures, documentation standards, and system usage to build capacity and improve efficiency across departments.

PAYROLL OFFICER

Mar2017-Apr2019

GUARANTEE BUSINESS CONTRACTING COMPANY – *Saudi Arabia*

JOB RESPONSIBILITIES

- Administered end-to-end payroll processing for all company employees on a monthly and bi-weekly basis, ensuring accuracy in salary calculations, adjustments, and disbursements.
- Computed employee compensation including basic salary, overtime, allowances, bonuses, deductions (e.g., GOSI, loans), and statutory tax requirements in strict adherence to Saudi labor laws and company regulations.
- Maintained comprehensive payroll records and employee compensation history in both manual and digital formats, ensuring data security, confidentiality, and audit readiness.
- Generated payroll-related reports such as payslips, summary sheets, GOSI reports, and financial statements for internal departments including HR, Finance, and senior management.
- Collaborated closely with the Human Resources department to process and update employee records, including new hires, resignations, promotions, leaves of absence, and end-of-service benefits (EOSB).
- Handled employee payroll-related inquiries and concerns with professionalism, investigating and resolving discrepancies such as missing payments, incorrect deductions, or leave balance errors.
- Managed the preparation and execution of payroll bank transfer files, ensuring timely and accurate salary disbursement through corporate banking platforms.
- Supported the payroll system upgrades and automation initiatives by providing insights on payroll processes, participating in system testing, and training relevant staff on system usage.
- Ensured compliance with internal audit requirements and regulatory standards by preparing necessary payroll documentation and supporting audit-related activities.
- Assisted with the preparation of year-end payroll reconciliations and financial reports required for audit, tax filing, and organizational planning purposes.

JOB RESPONSIBILITIES

- Prepared and recorded accurate payroll entries in the general ledger, ensuring all transactions were properly categorized and aligned with organizational chart of accounts.
- Generated and reviewed monthly payroll sheets including gross salary, allowances, overtime, deductions, income tax, and social security contributions for all staff.
- Reconciled payroll data with financial records, resolving discrepancies and ensuring consistency between payroll reports and the organization's financial statements.
- Managed statutory payroll obligations, including the preparation and filing of income tax returns, provident fund deductions, and social security contributions in compliance with local labor and tax laws.
- Assisted with payroll budgeting and forecasting by providing financial data and insights related to employee compensation trends, planned hires, and upcoming contractual obligations.
- Maintained accurate and organized payroll documentation to ensure readiness for internal audits, donor reviews, and external financial audits.
- Contributed to the enhancement of payroll systems by identifying inefficiencies, supporting the implementation of automation tools, and improving the accuracy and timeliness of payroll processing.

EDUCATION

- **Bachelor of Commerce** – *University of Punjab (2014)*
- **Diploma in Commerce** – *Punjab Board of Technical Education, Lahore (2011)*
- **Matriculation (Science)** – *BISE Multan (2008)*
