• mojomhusen@gmail.com

I am an experienced professional with expertise in administration, HR, procurement, document control, and sales supervision. With over 12 years in HR, I excel in staffing, recruitment, and improving departmental efficiency. Known for my excellent communication skills, proactive approach, and strong business acumen, I thrive in collaborative environments and consistently meet deadlines.

Experience

MAY 2024 – PRESENT

Procurement Coordinator | Ammico International Contracting Co. Ltd | Jeddah, Saudi Arabia

As a Procurement Coordinator at Ammico International Contracting Co. Ltd. in Jeddah, Saudi Arabia, I am responsible for overseeing the complete procurement lifecycle for construction and infrastructure projects. My role involves coordinating with project managers and engineering teams to identify material and service requirements, sourcing reliable suppliers, evaluating quotations, and negotiating competitive terms. I ensure that all purchases align with project budgets and timelines while maintaining strict compliance with company policies and local regulations. Additionally, I manage the issuance of purchase orders, monitor deliveries, resolve any discrepancies, and maintain accurate records of procurement activities. By leveraging my skills in vendor management, cost analysis, and supply chain coordination, I help optimize procurement efficiency and contribute to the successful execution of complex projects.

FEB 2024 – MAY 2024

Human Resources | Nepal Republic Media Ltd. | JDA Complex, Bagh Durbar, Kathmandu, Nepal

In my role as an HR professional, I focus on strategic planning by developing and implementing HR strategies that align with organizational goals.

I oversee talent acquisition, managing recruitment processes, sourcing candidates, and ensuring effective hiring practices. I foster positive employee relations by creating and enforcing policies that promote a respectful and inclusive work environment, while also addressing conflicts when they arise. My responsibilities include designing performance management systems, providing constructive feedback, and managing improvement plans to drive employee growth. I manage compensation and benefits programs, including salary structures, bonuses, and employee benefits, ensuring they are competitive and fair. I also identify training needs, develop programs, and support employee career growth to enhance skills and competencies. Ensuring HR compliance with labor laws, regulations, and internal policies is a key focus, alongside overseeing payroll, employee records, and HRIS maintenance. I lead organizational development initiatives aimed at improving effectiveness and efficiency, while promoting a positive workplace culture, fostering employee engagement, and implementing recognition programs. As a leader, I provide direction to the HR team, set goals, and evaluate their performance. Additionally, I leverage HR analytics and reporting to make data-driven decisions and generate valuable insights on HR metrics that support strategic initiatives.

JUNE 2023 – JAN 2024

Senior Administration | Delta AutoCorp Pvt. Ltd. |
Anamnagar, Kathmandu, Nepal

In my role, I provide leadership and mentorship to the administration team, guiding their professional development while fostering a collaborative work environment. I delegate tasks effectively to maintain high performance standards across the team. My responsibilities include overseeing daily administrative operations, such as record keeping, filing systems, correspondence, and data management, while also developing and implementing procedures to enhance productivity. I ensure the efficient management of office supplies, equipment, and facilities, creating a well-functioning workspace. I liaise with internal departments, external stakeholders, and clients to facilitate clear communication and coordination on administrative matters, and I prepare and distribute reports, memos, and other communications as needed. I assist with budget preparation, track expenses, process invoices, and ensure financial activities align with organizational guidelines. Additionally, I collaborate with cross-functional teams to support the planning and execution of projects, monitoring timelines and deliverables to ensure timely completion. I ensure compliance with organizational policies, procedures, and regulatory requirements, maintaining up-to-date knowledge of relevant laws and regulations. When issues or conflicts arise, I address and resolve them promptly, proposing solutions to improve operational efficiency and effectiveness.

MARCH 2022 – JUNE 2023

Senior Administration and Procurement | Bizbazaar Ltd. |
Kuleshwor, Ganesthan Mandir, Kathmandu, Nepal

In my role, I provide comprehensive administrative support, managing correspondence, scheduling meetings, maintaining records, and coordinating travel arrangements, including booking flights, accommodations, and transportation. I prepare and distribute internal memos, reports, and presentations, while also ensuring the office is well-stocked and organized. Additionally, I assist team members with various tasks as needed. I develop and implement procurement strategies to optimize efficiency and cost-effectiveness, identifying and evaluating suppliers, negotiating contracts, and managing vendor relationships. I handle the sourcing and procurement of equipment, materials, and services, reviewing purchase requests to ensure compliance with budgetary guidelines and company policies. To stay competitive, I conduct market research to identify new suppliers and industry trends. I establish and maintain an efficient document control system, managing confidential information and ensuring accurate and timely documentation flow, including filing, archiving, and retrieval. Collaborating closely with cross-functional teams, I support their administrative and procurement needs, coordinate with the finance department to track expenses and budgetary allocations, and communicate with suppliers, vendors, and contractors to ensure smooth procurement processes. I am also proactive in resolving any administrative or procurement-related issues or conflicts that may arise.

NOV 2020 – MARCH 2022

Human Resources - PAYROLL | Nimbus Holdings Pvt. Ltd. | Sinamangal, Kathmandu, Nepal

In my role, I manage comprehensive employee records, maintaining up-to-date personnel files and Employee Master Data for all newly joined and resigned employees across the organization, ensuring accuracy and confidentiality. I prepare and facilitate HR-related letters, including income source letters, PF release letters, and CIT release letters, ensuring their timely delivery. Additionally, I maintain a library of standard HR templates and forms. I oversee the accurate and timely processing of payroll, including gathering, calculating, and inputting data into the HRIS. My responsibilities extend to coordinating and recording attendance, leave, overtime, and deductions across multiple companies, as well as calculating and processing taxes, employee benefits, PF, CIT, gratuity, and SSF. I respond to staff inquiries regarding wages and deductions, ensuring clarity and accuracy. I prepare monthly reports on new hires and separations, generate manpower cost reports, and analyze payroll data to provide actionable insights to management. For resigned staff, I coordinate the clearance process and handle full and final settlements, ensuring accurate payments and timely disbursement through checks or direct transfers. Throughout all processes, I adhere to payroll policies, procedures, and legal regulations, maintaining strict confidentiality of employee records and ensuring full compliance with PF, CIT, gratuity, and SSF requirements.

MAY 2018 – OCT 2019

Human Resources and Administration | Suvidha Sewa Pvt.Ltd. | Sorakhutte, Kathmandu, Nepal

In my role, I coordinate the recruitment process by posting job openings, screening resumes, scheduling interviews, and conducting background checks. I also assist with onboarding new hires by preparing undertaking letters and conducting orientation sessions. I maintain and update employee records, ensuring compliance with employment laws and regulations. Collaborating with department heads, I help develop and implement departmental plans that align with organizational objectives, including workforce planning and identifying staffing needs. I support the implementation of performance management systems by assisting with goal setting, performance evaluations, and employee development plans, while also providing guidance on performance-related issues and monitoring improvement processes for non-performing employees. I contribute to the development and updating of HR policies and procedures, ensuring compliance with legal requirements and best practices, and maintain accurate documentation for distribution to employees. I coordinate travel arrangements for internal and outsourced employees, handle travel-related queries, and provide logistical support. Additionally, I assist in planning company events and employee engagement initiatives to foster a positive work culture. In payroll and financial management, I enter and update client and employee information, generate salary sheets, process full and final settlements, and manage advances, loans, and allowances. I collaborate closely with the finance and accounting departments to ensure accurate fund management. I also handle staff queries through phone calls and office visits, providing timely and accurate information, and manage the transfer of staff allowances, including TADA, overtime, incentives, stitching costs, and fuel reimbursements.

NOV 2011 – NOV 2017

Administrator | Ammico Contracting Co. W.LL. | Doha, Qatar

In my role, I prepare payroll sheets for staff members, ensuring accuracy and compliance, while also managing petty cash, floats, expenses, and staff expense requests. I maintain precise records for employee holiday requests and handle the administration of all paperwork generated at the office level. I support procurement by verifying project-related invoices, issuing purchase orders based on approved quotations, and coordinating procurement needs with the head office. My responsibilities include entering daily timesheets for staff, labor, and equipment, ensuring timely and accurate recording of data for project tracking. I manage office and operations by handling both external and internal communication, arranging transportation and food for staff and labor, and coordinating with the PRO for visas, ministry matters, new employee medicals, and fingerprinting. I oversee office activities and operations to ensure efficiency and compliance with company policies, supervising administrative staff and delegating responsibilities as needed. Additionally, I provide comprehensive administrative support by managing agendas, travel arrangements, and appointments for upper management, handling phone calls, emails, letters, and packages, and assisting colleagues when necessary. I am responsible for managing large amounts of paperwork and data, maintaining accurate records, and supporting office projects.
