Professional Summary

Dedicated and proactive Rig Safety Officer with 9+ years of progressive experience in offshore and onshore oil & gas operations across the Middle East and Asia. Adept in implementing Aramco HSERM, SWIM, and SOLAS compliance, conducting Taproot investigations, and leading ISO-aligned safety initiatives. Holder of NEBOSH International Diploma, ISO 45001/14001 Lead Auditor certifications, and OPITO-approved emergency response credentials. Successfully contributed to zero-LTI operations, audit closures, and safety culture transformation. Now actively pursuing an HSE Supervisor role to lead operational safety, emergency preparedness, and workforce competency within a world-class offshore drilling environment.

Core Competencies

- NEBOSH International Diploma | NEBOSH IGC Certified
- ISO 45001 & ISO 14001 Lead Auditor (OHSM & EMS)
- OPITO Certified Emergency Response & Helideck Safety
- TapRoot Root Cause Analysis | JSA & HIRA
- PTW, LOTO, Confined Space Entry
- Emergency Preparedness & Firefighting Systems
- Safety Audits & Inspection Management (RHSEI, LPD, QSI)
- HSE Training Delivery | Train-the-Trainer Certified
- Aramco HSERM, SWIM, SOLAS, CAP-437 Compliance
- MS Office | RAMS | SkillsVX | Oracle ERP | RimDrill

Professional Experience

Rig Safety Officer

ADES Group – Offshore Jack-up Rig ADM-682, KSA

Sep 2022 – Present

- Ensured Aramco HSERM and SWIM compliance during rig upgradation and pre-commissioning activities at Bahrain Shipyard.
- Led installation and inspection of fire and gas detection systems, SCBAs, H₂S sensors, LEL detectors, and helideck compliance per CAP-437.
- Conducted emergency drills (fire, muster, H₂S) and updated station bill, muster

list, and fire control plans.

- Delivered job-specific HSE inductions and maintained crew competency records per ADES and Aramco standards.
- Supported MOC reviews and engineering drawing assessments with detailed risk evaluations.
- Facilitated RHSEI, LPD audits, and quarterly safety inspections with 100% closure of non-conformities.

HSE Trainer

Saudi Arabian Saipem – Offshore Rigs (Aramco Projects)

Dec 2021 – Aug 2022

- Delivered Aramco-approved training on modules including H₂S, Confined Space, PPE, LOTO, PTW, Dropped Objects, Gas Testing.
- Designed and executed practical sessions and simulations for HSERM and SWIM compliance.
- Aligned internal training matrix with operational risks and audit readiness requirements.
- Maintained training documentation and ensured continuous competence evaluation.

Rig Safety Officer

Saudi Arabian Saipem – SEA LION 7 (Cyber Jack-up Rig)

Mar 2019 – Dec 2021

Client: Saudi Aramco

- Enforced HSE procedures and compliance with Aramco Life Rules and Saipem 09 Rules.
- Led air quality testing, BA compressor management, and SCBA inspections.
- Participated in site-wide audits (HSEGA, QSI), PTW reviews, and risk assessments for high-risk jobs.
- Coordinated fire, muster, and H₂S emergency drills; mentored junior crew in emergency procedures.

Roustabout

Gulf Drilling International – Onshore Rig GDI-3, Client Qatar Petroleum

Oct 2017 – Jan 2019

- Assisted rig floor and deck crew in drilling operations, pipe handling, chemical loading, and rig-up/down processes.
- Maintained clean and safe working conditions and reported unsafe behaviors/hazards proactively.

HSE Officer

KS Drilling – Onshore Rig DS-3, Pakistan Client (PEL)

Feb 2016 – Sep 2017

- Conducted safety inductions, toolbox talks, and enforcement of 10 Life Rules.
- Developed risk assessments, JSA, RCA reports, and supported permit-to-work processes.
- Coordinated safety drills and ensured availability and certification of firefighting and H₂S equipment.

Certifications

- NEBOSH IGC (IGC1, IGC2, IGC3)
- ISO 45001 & ISO 14001 Lead Auditor – CQI & IRCA
- OPITO Certified: FOET | HERTM | HERTL | OERTM | OERTL
- Dangerous Goods by Air Awareness (HCA Approved)
- Train-the-Trainer (NEFT Energies): H2S, Confined Space, Fire Safety, PPE, Spill Prevention, Gas Testing, LOTO

Education

- NEBOSH International Diploma – Level 6, RRC UK
- MBA – Bahria University, Islamabad (Major: Business Strategy & HSE Leadership)
- BSc – FG Sir Syed College, Rawalpindi (Math, Statistics, Economics)

Technical Skills

- Microsoft Office Suite (Excel, Word, PowerPoint)
- RAMS | SkillsVX | Oracle ERP (R12) | RimDrill

Languages

- English (Fluent)
- Arabic (Read/Write)
- Urdu (Native)
