

Mohammed Adnan Shaikh

Automobile cum Mechanical Engineer

CONTACT DETAILS

Phone: +91 - 8451936947

E-mail id: mohammedadnans243@gmail.com

CAREER OBJECTIVE

To succeed in an environment of growth and excellence and earn a job which provides me job satisfaction and self-development and help me achieve personal as well as organizational goals.

PERSONAL SKILLS

Creativity					
Teaching					
Dependable					
Innovative					
Planning					

PROFESSIONAL SKILLS

MS Office					
Adobe Photoshop					
Adobe AfterEffects					
Storyboarding					
Articulate Storyline 360					

PERSONAL DETAILS

Date of Birth: 24th March 1990.

Languages Known: English, Hindi

Relationship Status: Married

Nationality: Indian

Currently Living in: Mumbai

WORK EXPERIENCE

- ❖ **Instructional Designer** (Apr 2024 – Jan 2025)
 - **Torus Digital Private Limited**
 - ✓ Project Initiation and Collaboration
 - ✓ Collaborate with clients to define project scope and deliverables and partner with subject matter experts to identify training needs.
 - ✓ Guided logistics and communications for instructional design projects and training events, coordinating with vendors, designers, and stakeholders to ensure seamless execution
 - ✓ Oversaw relationships with vendors, learners, and subject matter experts, acting as a liaison to provide necessary information
 - ✓ Content Creation and Development
 - ✓ Design storyboards for ILT, WBT, and e-learning modules.
 - ✓ Ensure content aligns with adult learning principles and standardized templates.
 - ✓ Select relevant visual aids and proofread content
 - ✓ Training Facilitation
 - ✓ Conducted process and product training sessions for cross-functional departments, including compliance, including compliance, operations, and customer service teams.
 - ✓ Delivered training workshops on diverse topics such as onboarding, technical skills, and compliance standards, ensuring participants met performance benchmarks.
 - ✓ Facilitated Instructor Development Workshops to upskill trainers in effective delivery techniques and adult learning methodologies.
 - ✓ Provided one-on-one coaching sessions to address individual learner needs and enhance knowledge retention.
 - ✓ Training Materials Preparation
 - ✓ Develop facilitator guides, training manuals, and supporting materials.
 - ✓ Design engaging activities and case studies.
 - ✓ Update program handbooks quarterly.
 - ✓ Assessment and Evaluation
 - ✓ Create pre- and post-training assessments (MCQs).
 - ✓ Develop materials for Instructor Development Workshops and evaluation tools.
- ❖ **Instructional Designer** (Jul 2023 – Mar 2024)
 - **Reliance Securities**
 - ✓ Conducted comprehensive soft skills and onboarding induction programs at various levels focusing on communication, leadership, and teamwork
 - ✓ Developed customized training content using the ADDIE model, including facilitator guides, learner manuals, and assessment tools
 - ✓ Managed event logistics by scheduling sessions, coordinating venue bookings, and arranging required resources and materials
 - ✓ Facilitated engaging in-person and virtual workshops, utilizing interactive techniques like role-plays and case studies to ensure high participant involvement
 - ✓ Identified training needs in collaboration with stakeholders, aligning learning objectives with business goals and improving overall performance
 - ✓ Executed structured processes for task management, including detailed follow-ups, status tracking, and resolution of logistical challenges to ensure successful completion of assignments.
 - ✓ Continuously enhanced training programs to improve participant engagement, retention, and skill development.
 - ✓ Delivered effective soft skills training to a wide range of audiences, helping individuals improve their communication, collaboration, and professional skills
- ❖ **Sr. Instructional Designer** (Jul 2022 – Feb 2023)
 - **Indian School of Image Management**
 - ✓ Work with the management and faculty team on program design and development
 - ✓ Compose academic books, presentations, training plans, research papers, tools and templates, articles, guides, and reports.
 - ✓ Developing new course material and updating new and existing course material
 - ✓ Coordinating with the faculty of ISIM (Indian School of Image Management) on improving the soft skills content of ISIM (i.e., books, guides, toolkits)
 - ✓ Researching about new concepts, subjects, and methodology to improve curriculum and learning experience
 - ✓ Proofread, edit, and correct all the content efficiently
 - ✓ Create engaging learning activities and compelling course content.
 - ✓ Work with subject matter experts to identify the target audience's training needs.
 - ✓ Set instructional end goals and create content that matches them
- ❖ **Instructional Designer** (Dec 2020 - May 2022)
 - **AL DAR University College**
 - ✓ Create engaging learning activities and compelling course content
 - ✓ Work with subject matter experts to identify the target audience's training needs
 - ✓ Set instructional end goals and create content that matches them
 - ✓ Visualize instructional graphics, the user interface and the finished product
 - ✓ Analyze and apply trends and best practices in learning technologies and instructional design
 - ✓ Provide exercises and activities that enhance the learning process
 - ✓ Create supporting material/media (audio, video, simulations, role-plays, games, etc.)
 - ✓ Devise modes of assessment, such as tests or quizzes, to measure the effectiveness of the course

- ✓ Delivered specialized training programs for faculty and administrative staff, focusing on instructional methodologies, curriculum enhancement, and technology integration in education.
- ✓ Conducted student-focused workshops on skill development, such as technical writing, project management, and career readiness, ensuring alignment with academic and professional standards.

❖ **Instructional Designer** (March 2019 – May 2020)

➤ **Sandip Foundation's Sandip Institute of Engineering and Management**

- ✓ Understand the academic context from the SME's (pertaining to eLearning), the learner profile and the content outline to successfully implement the proposed learning solution
- ✓ Scripting effective learning objectives using Bloom's taxonomy
- ✓ Developing content for engineering and management domains based on the prescribed syllabus of SPPU and SU
- ✓ Provide support for various learning & teaching activities within the organization
- ✓ Conducted specialized training sessions for professors and faculty members on green screen technology for effective training delivery, enabling seamless integration of virtual tools in classroom environments.
- ✓ Devise modes of assessments, such as formative and summative assessments, tests or quizzes, to measure the effectiveness of the course
- ✓ Preparing storyboards on the finalized raw footage by visualization of instructional graphics
- ✓ Scheduling and conducting weekly meetings to discuss the progress of the project to the senior personnel and higher management
- ✓ Maintain project documentation records and course folders for individual e-learning course modules
- ✓ Aiding graphic designers in making appropriate thumbnails by providing faculty details, module name, duration of the video, background image etc.
- ✓ Maintain confidentiality of the college, faculty and student records at all times

❖ **Instructional Designer** (Nov. 2017 – Dec 2018)

➤ **Imarticus Learning Pvt. Ltd.**

- ✓ Understand the business context, scope, learner profile and the content outline to successfully implement the learning solution possible
- ✓ Work with subject matter experts and identify target audience's training needs.
- ✓ Review video output based on inputs given during the scripting and storyboarding stage
- ✓ Developing storyboards for ILT, WBT, E-learning etc. by checking the logical flow of content, making/or using standardized templates, selecting relevant images, icons etc. also proofreading the content
- ✓ Preparing facilitator guide for the trainer's reference selecting relevant activities and case- studies for the training program to increase the learner's interactivity in the class.
- ✓ Updating program handbooks on a quarterly basis
- ✓ Developing guidelines and templates for the Instructional Design team to create high-quality storyboards for video production
- ✓ Preparing materials for Instructor Development Workshops, Train the Trainers etc. and assessment tools like pre and post-training assessments (in the form of MCQ's) to evaluate learner's performance.
- ✓ Preparing, maintaining and presenting monthly reports and records to the higher management

❖ **Instructional Writer** (Apr 2017 – Oct 2017)

➤ **Ixia Solutions**

- ✓ Creating engaging learning activities and compelling course content that enhances retention and transfer.
- ✓ Conduct instructional research and analysis on learners and contexts.
- ✓ State instructional end goals and create content that matches them.

❖ **Assistant Professor** (Jan 2015 – Dec 2016)

➤ **Dwarkadas J. Sanghvi College of Engineering**

- ✓ Assigned to take lectures for GD students in the subjects of Business Process Re-engineering, Internal Combustion Engines, Production Process, Theory of Machines etc.
- ✓ Arranging and conducting practical sessions and/or tutorials for the assigned subjects
- ✓ Keeping updated with the latest trends in the subject area, teaching resources and methods and make relevant changes to instructional plans and activities.
- ✓ Assisting in organizing industrial visits and study tours
- ✓ Making lesson plans for the subjects assigned and covering the syllabus accordingly
- ✓ Making notes and reading materials for the students as per the course modules defined in the syllabus
- ✓ Writing research papers/articles to be published in national and international conference proceedings and journals with "high impact" factor
- ✓ **Delivered guest lectures on advanced engineering topics, sharing practical insights and fostering a deeper understanding of core concepts among undergraduate and postgraduate students.**
- ✓ **Organized and facilitated Faculty Development Programs (FDPs) for engineering faculty, focusing on innovative teaching methodologies, curriculum design, and integrating technology into pedagogy.**
- ✓ Assisting the academic head during admissions
- ✓ Conducting sessions on "Resume Building" and mock interviews to groom the employability skills of the students

EDUCATION

❖ **Doctor of Philosophy (University of Mumbai)** (2023 - 2027)

➤ **Dwarkadas J. Sanghvi College of Engineering**

- ✓ Pursuing Ph.D. In Mechanical Engineering

- ❖ Master of Engineering (University of Mumbai) (2013 – 2016)
➤ Dwarkadas J. Sanghvi College of Engineering
✓ Completed M.E.in Mechanical Discipline with specialization in Manufacturing Systems with First Class (7.85 CGPI)
- ❖ Bachelor of Engineering (University of Mumbai) (2007 – 2012)
➤ M.H. Saboo Siddik College of Engineering
✓ Completed B.E. in Automobile Discipline with Second Class(55.79%)
- ❖ Higher Secondary Certificate (MSBSHSE) (2006 – 2007)
➤ M.H. Saboo Siddik Technical High School and Jr. College
✓ Completed HSC successfully with Distinction (76.17%)
- ❖ Secondary Secondary Certificate (CBSE Board) (2004 – 2005)
➤ Indian High School
✓ Completed SSC successfully with Distinction (82.6%).

CERTIFICATION/ CERTIFICATE COURSES

- ✓ Completed online course on “How to Create Great Online Content” from the University of Leeds and Institute of Coding via FutureLearn on 12th April 2020
- ✓ Completed online course on “Design an Online Course in 24 Hours” from Hamdan Bin Mohammed Smart University (University in Dubai, UAE) on 31st March 2020
- ✓ Completed online course on “Foundational Artificial Intelligence” from SkillUp Online, course aligned to SSC NASSCOM Foundation AI curriculum, on 15th May 2020
- ✓ Completed online course on “Educational Excellence 2.0: AI in Education Masterclass” organized by LINC Education, from 12th Aug. to 19th Aug. 2023
- ✓ Completed online training course on “Train The Trainer” offered by EMMA (European Multiple MOOC Aggregator) in collaboration with ASSET Project, on 07th November 2024
- ✓ Completed online training course on “Instructional Design” offered by atingi course lab on 07th November 2024
- ✓ Currently enrolled in “Adobe Photoshop” course offered by AAA Foundation since 1st October 2024

TRAINING/ WORKSHOPS ATTENDED

- ✓ Successfully completed 3 days result oriented workshop on “Value Management” held at Dwarkadas J. Sanghvi College of Engineering, Vile Parle (W) Mumbai during March 21 to 23, 2014
- ✓ Successfully volunteered 3 days’ workshop on “Environmental Studies”, organized by Department of Civil Engineering, M.H. Saboo Siddik College of Engineering, Mumbai during 7th to 9th October 2009
- ✓ Successfully completed a two week training course (FDP) organized under TEQIP Phase II on “Pressure Equipment Design and Piping Engineering” in collaboration with Aker Power gas Pvt. Ltd. by Mechanical Engineering Department of SPCE, Andheri(West), Bhavan’s Campus, Mumbai, between 30th May to 10th June 2016
- ✓ Participated in one week Faculty Development Program (FDP) on “Recent Trends in Manufacturing Practices” organized by Department of Mechanical Engineering, Rajiv Gandhi College of Engineering, Mumbai, during 29th June to 3rd July 2015

RESEARCH PAPER PUBLICATION IN JOURNAL/ CONFERENCE

- ✓ Mohammed Adnan Shaikh, K.N. Vijay Kumar, Meeta N. Gandhi, “Green Supply Chain Management Practices in Automobile Industry”, Industrial Engineering Journal, Vol. IX & Issue No. 4, April 2016, pages 6 – 11.
