Professional Summary

With over 24 years of experience, I am an accomplished ServiceDesk Team Lead specializing in managing IT support teams, System and Network Administration, and ICT Infrastructure. My expertise lies in leading teams and implementing strategic initiatives that drive organizational success. I am adept at improving service desk operations and ensuring high levels of customer satisfaction. My proven track record includes leading and mentoring teams, implementing efficient processes, and resolving complex technical issues. I excel in optimizing ICT budgets and driving cybersecurity growth across the organization. I'm now seeking a challenging leadership role where I can leverage my extensive experience for continued success.

Professional Experience
