Human Resources Supervisor

Eastern Province, Saudi Arabia | +532619744 | narjes.alamadhan98@gmail.com | LinkedIn: narjes-alamadhan

PROFILE SUMMARY

Results-driven HR professional with 4+ years of experience in leading high-impact HR initiatives, including recruitment, performance management, and workforce development. Proven ability to align HR strategies with organizational goals, driving efficiency, compliance, and employee satisfaction. Adept at designing and implementing talent acquisition programs, training frameworks, and engagement strategies that reduce turnover and enhance productivity. Holds a Master's degree in Business Administration. Certified ISO 9001:2015 Internal Auditor with expertise in Saudization, government compliance, and HR analytics. Strong leadership in cross-functional collaboration, budget planning, and change management. Passionate about fostering inclusive workplace cultures through data-driven decision-making and continuous improvement.

CORE COMPETENCIES

- Developed and implemented a **3-year HR strategic plan**, increasing departmental efficiency by **40%** through process optimization.
- Aligned HR initiatives with **corporate objectives**, including workforce planning for rapid expansion (e.g., hiring **80+ employees in 6 months**).
- Led **ISO 9001, BRCGS, and FSC audit readiness**, achieving **100% compliance** through proactive system improvements.
- Managed **end-to-end recruitment** for multinational roles, partnering with **12+ international agencies** to fill critical positions.
- Designed data-driven hiring plans, cutting time-to-hire **30%** via targeted sourcing.
- Enhanced candidate experience via structured **onboarding programs**, improving new hire retention by **25%**.
- Created **25+ annual training programs** (technical/soft skills), boosting participation by **35%** and satisfaction scores by **30%**.
- Implemented **Skills Matrix and Career Path frameworks**, leading to a **20% reduction in turnover** through internal mobility.
- Conducted **quarterly performance reviews**, driving a **25% improvement in KPIs** via personalized development plans.
- Optimized **medical insurance** for **700+ employees**, reducing costs by **15%** while maintaining coverage quality.
- Leveraged **Power BI** to analyze turnover trends, enabling data-driven retention strategies (e.g., engagement programs).
- Developed **HR dashboards** to track recruitment metrics, training ROI, and Saudization progress.
- Launched **recognition systems** (e.g., "Employee of the Month"), increasing engagement survey scores by **20%**.
- Fostered a **learning culture** through mentorship programs and knowledge-sharing forums.
- Oversaw **payroll, bonuses, and end-of-service settlements** with **100% accuracy**.
- Managed **visa processing, Saudization quotas, and government subsidies** (e.g., wage support programs).
- Collaborated with **C-suite and department heads** to align HR strategies with business goals.
- Resolved **employee relations conflicts** through mediation, maintaining a **95% resolution rate**.
