🌐 in/mohamed-mostafa-elmonaiar, nationality: Egyptian, marital status: single

SUMMARY

telecom & electrical project engineer with 11 years' experience of project management in the field of (OSP, ISP, ICT, IOT, FTTX, FTTM, FTTH, PLC, SCADA, ELV, security systems, light current systems, infrastructure projects, MSAN, last mile, key account, feeder, junction, NE, held order, high voltage 115kv, building cabling system, oil & gas control valve, cable manufacturing) for clients like (STC, SEC, DAWIAT, MAWANI, MOI MIFON).

EXPERIENCE

Project engineer

KEIR INTERNATIONAL (ELECTRICAL & TELECOM): October 2021 - Present, KHOBAR, SAUDI ARABIA

- Developed project milestones & deliverables, scheduling & closely monitoring the progress of the project.
- Increased project profitability by 30% through effective project management.
- Developed and implemented project KPIs to monitor progress and predict potential risks.
- Automated manual processes, leading to an increase in productivity of 10%.
- Negotiated contracts, achieved cost-savings for projects, and met quality requirements.
- Managed project resources and stakeholders, resulting in 100% customer satisfaction.

Project engineer

ALNAEIM CONTRACTING (CONSTRUCTION): January 2020 - October 2021, MEDINAH, SAUDI ARABIA

- Improved workflow & implemented automated processes resulting in a 25% reduction in time & costs.
- Participated in the development of project cost estimates, schedules, & budget tracking.
- Developed reports & documented project requirements for the purpose of improving process efficiencies.
- Coordinated with contractors & other third-party vendors to secure materials & resources.
- Achieving a 15% increasing efficiency & Led multiple projects with an average completion rate of 98%.
- Identified, analyzed and resolved technical problems with an accuracy rate of 95%.

ELECTRICAL PROJECT ENGINEER

EMAAR MEDINA CONSULTANTS (CONSULTANT): September 2020 - September 2021, MEDINAH, SAUDI ARABIA

- Provided project status reports on a regular basis to the project team & executive management.
- Completed project closeout tasks, including documentation, archiving, & finalizing customer billing.
- Reduced project costs 15%, increased completion rate 12%.
- Developed & reviewed all relevant project documentation such as project plans & risk assessments.
- Implemented project control activities, including schedule & cost updates & change order management.
- Executed project planning, including scopes, budgets, & costs analysis.

ELECTRICAL PROJECT ENGINEER

Egyptian Valves Company (EVACO) (OIL & GAS): March 2017 - December 2019, CAIRO, EGYPT

- Coordinated company resources & ensured successful delivery of project milestones.
- Prepared project cost estimates & contractual documents for client review & presentation.
- Utilized project management tools & software to track project scheduling and timeline.
- Completed projects within budget & 6 weeks ahead of schedule with an 85% reduction in overall costs.
- Managed project budgeting and forecasting, up to 3.2M and achieved the highest quality outcomes.
- Improved the defect detection rate by 70%.

ELECTRICAL PROJECT ENGINEER

SUEZ CANAL CONTAINER TERMINAL(SCCT)(MARITIME): August 2016 - February 2017, PORTSAID, EGYPT

- Developed electrical project plans, wiring diagrams, schematics & designs for equipment, systems.
- Implemented procedures that increased the quality of the product by 40% over the prior year.
- Developed analytical skills with problem-solving techniques & quickly resolved issues.
- Coordinated with vendor for purchase of materials & components for projects.
- Streamlined workflow to save time and costs, generating savings of 25% over the next year.
- Monitored and managed project budgets, reduce overspend by 8% and achieved cost targets.

ELECTRICAL PROJECT ENGINEER

SUMITOMO EGYPT (ELECTRIC WIRING SYSTEM MANUFACTURING): March 2016 - July 2016, PORTSAID, EGYPT

- Managed budget & schedules to ensure successful completion of projects within allocated budget.
- Delivered projects within scheduled deadlines, resulting in a 10%-time savings & a 5% reduction in costs.
- Implemented process improvement initiatives, improving performance and quality of product by 30%.
- Coordinated with vendors for equipment procurement to plan & execute projects.
- Carried out project life cycle from conceptual design, detailed design, to implementation & testing.
- Identified & resolved engineering & technical problems, resulting in 100% project success rate.

EDUCATION

MBA-Master of Business Administration

marketing management • Arab academy for science, technology & maritime transport (AASMT) • South Valley, Egypt • 2024 • 3.44/4

bachelor of science in electrical electronics and communications engineering

Alexandria, Egypt • 2014 • Arab academy for science, technology & maritime transport(AASMT). 3.41/4

CERTIFICATIONS

PMP® Certification Training Course: PM-Tricks • 2022

REVIT MEP 2020: ENGINEERING SCIENCE INSTITUTE FOR TRAINING (ESI) • 2020

GRUNDFOS PUMPS: GRUNDFOS • 2020

PLC APPLICATIONS BASIC TRAINING: JELECOM • 2012

COURSERA business analysis & process management 2025

UDEMY planning engineer guide to PRIMAVERA P6

PROJECTS

MINISTRY OF INTERIOR(MOI) OSP & ISP (20M SAR)-MAWANI OSP & ISP (16M SAR)- STC OSP & ISP (30M SAR)

KEIR INTERNATIONAL • October 2021 - Present

- Effectively managed the projects; reduced project cost by 4% and implementation time by 14%.
- Delivered services to improve customer satisfaction, increasing customer satisfaction by 15%.
- Utilized Agile methodology to monitor & evaluate the progress of the project.
- Implemented risk management strategies & configured tools to ensure smooth processes & operations.

STC OSP/ISP (7M SAR)-SEC 69KV & 115KV (60M SAR)-LANDS PLANNING FOR MEDINAH MUNICIAPALITY (50M SAR)

ALNAEIM CONTRACTING • January 2020 - October 2021

- Crafted & implemented strategies for the deployment in order to improve project performance.
- Increased productivity up to 25% by reducing labor costs, material costs, & labor hours.
- Completed projects within budget & time constraints, achieving customer satisfaction of 100%.
- Developed reports to share progress updates & key project milestones with relevant stakeholders.
- Maintained project progress data, providing regular updates on scope, budget, schedule, & profitability.

FIRE ALARM & LOW VOLTAGE SYSTEMS AT PROPHET'S MOSQUE CENTRAL DISTRICT (5M SAR)

EMAAR MEDINA CONSULTANTS • September 2020 - September 2021

- Designed & implemented fire alarm & low voltage systems in accordance with NFPA 72 standard.
- Completed project on time & under budget produced a reduction in false alarm rate of 30%.
- Tested & verified system performance for fire alarm & low voltage systems, with zero defects.

OIL & GAS VALVES LINE FOR ALEXANDRIA MINERAL OILS COMPANY (AMOC)

EGYPTIAN VALVES COMPANY (EVACO) • March 2017 - December 2019

- Utilized lean manufacturing principles to streamline production & reducing inventory costs by 30%.
- Implemented corrective measures & improved production efficiency by 10%.
- Led successful execution of valve line through quality control tasks, with zero customers complaints.

RTG & CRANES PLC SYSTEMS FOR PORTSAID PORT (ASSET OF 200 MILION EGP)

SUEZ CANAL CONTAINER TERMINAL(SCCT) • August 2016 - February 2017

- Implemented PLC programs of RTG & Cranes by automated commands to increase productivity by 10%.
- Scheduled & executed PM programming to optimize system performance & uptime by 20%.
- Utilized Siemens WinCC SCADA, Allen Bradley, Omron & Schneider PLCs to create automated systems.
- Installed various communication systems using PROFIBUS, CANOPEN, Modbus etc.
- Researched & identified 36 errors in PLC: resolved using troubleshooting & debugging techniques.

HONDA & TOYOTA WIRING SYSTEMS (50M EGP)

SUMITOMO EGYPT • March 2016 - July 2016

- Monitored the progress of the wiring systems & evaluated its outcome on the targeted metrics.
- Delivered the project within the allocated budget & timeline with 95% customer satisfaction rate.
- Achieved a 13% increase in production rate for Honda & Toyota models.

NAME: AHMED IBARHIM ELSEMANY

POSITION: PROJECT MANAGER

COMPANY: KEIR INTERNATIONAL

COMPANY ADDRESS: 6678 WAG VALLEY, ALMALAGA DISTRICT, RIYADH

I am writing this letter for recommend Mohamed Mostafa Ibrahim Elmenaiar as project engineer. Mohamed worked under my supervision at Keir international as a project engineer from oct 2021 until now and I have closely analysed his working pattern. Mohamed is responsible of ministry of interior (MOI) optical fiber network projects implementation and management. He is responsible for: Planning, preparing, scheduling, predicting, coordinating, monitoring and managing all the technical tasks of MOI engineering project to assure accuracy, proper resources, and quality from start to finish. Monitoring compliance to applicable codes, practices, QA/QC policies, performance standards and specifications. Interacting daily with MOI to interpret their needs and requirements and represent them in the field. Performing overall quality control of the work (budget, schedule, plans, personnel's performance) and report regularly on project status. Assigning responsibilities and mentor project teams. Cooperating and communicating effectively with project manager and other project participants to provide assistance and technical support. Reviewing engineering deliverables and initiate appropriate corrective actions. He has the work ethic, and communications skills to add value wherever he works. In addition, he is organized, reliable. Mohamed can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him. In case you have any questions about Mohamed, please feel free to contact me

Yours sincerely,

AHMED IBRAHIM ELSEMANY

NAME: SULTAN NASER SALEEM ALSHAHRANI
POSITION: PROJECT MANAGER
COMPANY: KEIR INTERNATIONAL
COMPANY ADDRESS: 6678 WAG VALLEY, ALMALAGA DISTRICT, RIYADH

I am writing this letter for recommend Mohamed Mostafa Ibrahim Almonaiar as telecom and electrical project engineer. Mohamed worked under my supervision at Keir international as a project engineer from oct 2021 until now and I have closely analyzed his working pattern. Mohamed is responsible of MAWANI optical fiber network projects implementation and management. During his time on MAWANI project (Dammam port, Ras Alkhair port, Jubail commercial port, Jubail industrial port), he was responsible for overseeing both telecom and electrical engineering aspects, ensuring coordination between teams, adherence to project timelines, and compliance with industry standards. His key responsibilities included:

- implementing telecom & electrical systems (OSP, ISP, FTTX, security systems, light current, infrastructure, building cabling system) in line with project specifications.
- Coordinating with vendors, subcontractors, & stakeholders to ensure execution.
- Ensuring compliance with safety regulations & quality control measures.
- delivering the project within scope, time, & budget constraints.
- Planning, preparing, scheduling, predicting, coordinating, monitoring & managing all the technical tasks of MAWANI engineering project to assure accuracy, proper resources, & quality from start to finish.
- Monitoring compliance to applicable codes, practices, QA/QC policies, performance standards & specifications.
- Performing overall quality control of the work (budget, schedule, plans, personnel's performance) & report regularly on project status.
- Assigning responsibilities & mentor project teams.
- Cooperating & communicating effectively with project manager & other project participants to provide assistance & technical support.
- Reviewing engineering deliverables & initiate appropriate corrective actions.

He has the work ethic, and communications skills to add value wherever he works. In addition, he is organized, reliable. Mohamed can work independently and is able to follow through to ensure that the job gets done. He is flexible and willing to work on any project that is assigned to him.

In case you have any questions about Mohamed, please feel free to contact me.

EXPIRATION

To Whom It May Concern

This is to clarification that I have known **Eng. Mohamed Mostafa Ibrahim Elmonaiar** since February 2022 till now. I taught him a course of "Human Resources Management" during his study for MBA Degree, at graduate school of business, Arab Academy for Science Technology and Maritime Transport (AASTMT), Alexandria, Egypt, where I was the Assistant Dean. He had shown very high commitment, interaction, and ability to understand and apply of major concepts of the course, he got (A) grade in that course.

I believe that Eng. Mohamed is well organized, hardworking, and cooperative. He has excellent analytical capabilities, mental capabilities, good background in business and management, and very good personality. His English language is very good, and I believe that he is capable of doing research independently.

Upon that, I **strongly recommend Eng. Mohamed Mostafa Ibrahim Elmonaiar** to be accepted and enrolled for postgraduate research studies at your respected university.

Sincerely yours,

Dr. Abdelnasser Ghanem

Former Dean Assistant,
Graduate school of business
Arab Academy for Science Technology and
Maritime Transport, Alexandria, Egypt.

Email: abdelnasser.ghanem@eggypt.aast.edu

Mobile: 00201001610678

To Whom It May Concern

This is to clarification that I have known **Eng. Mohamed Mostafa Ibrahim Elmenaiar** since February 2022 till now. I teach him one course "accounting & financial reporting" and he got (A) grade in this course at advanced management institute, graduate school of business, Arab Academy for Science Technology and Maritime Transport (AASTMT), Alexandria, Egypt.

Eng. Mohamed Mostafa Ibrahim Elmenaiar is well organized, hardworking, cooperative. He has excellent analytical capabilities, very good level of the English language, good background in business and management and very good personality. He is also capable of doing research independently.

Based on his outstanding performance, I strongly recommend **Eng. Mohamed Mostafa Ibrahim Elmenaiar** to pursue his studies in your university.

Sincerely

Dr. Haybat Mohamed

Faculty of Commerce

Alexandria University

Alexandria, Egypt

Haybat555@yahoo.com

To Whom It May Concern

This is to certify that I have known Eng. **Mohamed Moustafa Ibrahim M. Elmenaiar** since over six years, as an undergraduate student in the College of Engineering and Technology, Arab Academy for Science, Technology and Maritime Transport, Alexandria, Egypt. Eng. **MOHAMED M. ELMENAIAR** attended one of my course at the undergraduate level, *EC432, Microelectronic Circuits*, and got a grade of “A+” in the course. Eng. **MOHAMED M. ELMENAIAR** is very creative, hard worker, polite, intelligent, dedicated, inventive, cooperative, and enthusiastic. Eng. **MOHAMED M. ELMENAIAR** is smart and persistent and has excellent analytical capabilities. He is well-organized and has a very good command of the English language. Eng. **MOHAMED M. ELMENAIAR** would rank among the top 2% of his class. I do recommend Eng. **MOHAMED M. ELMENAIAR** for pursuing graduate studies and research leading to the Ph.D. degree in Electronics and Communications Engineering. I am quite sure he will excel in his endeavors.

Prof. Roshdy A. AbdelRassoul, Professor Emeritus,
