MAJOR ACCOMPLISHMENTS

Investments and JV's and Structuring

- 2020–2022: Board member for a real estate development JV with a Kuwaiti bank, executing a successful exit via land acquisition.
- 2019: Performed valuation and financial due diligence for a 30%+ stake investment in a listed entity, achieving successful deal closure.
- 2014–2016: Spearheaded a JV split with Real Estate Development partners in Pakistan and KSA, handling valuation and split mechanism.
- 2011–2013: Investment structuring and debt funding of the Real Estate Developers in Malaysia, Morocco, and the UAE.
- 2010: Structured mezzanine funding deal for Dubai real estate development with 50% equity and 50% debt, settling debt with ROI.
- 2007: Worked on a South African real estate golf development's acquisition, structuring, and collaborating with teams in South Africa.
- 2006, 2009, 2017: Partnered with the CEO to establish real estate entities, handling capital formation, planning, and valuation.

Funding for the Real Estate Development entities

- Exposure to Sharia and conventional debt, construction finance, lease-to-own, sale & leaseback, mezzanine funding, and syndicate financing
- Worked with Parent Company on Sukuk funding, thereby using monetization of assets for asset-based Sukuk issuance
- Evaluating the feasibility of launching a REIT product for USD 300 million, optimizing asset management fees, and dividend yield potential
- Negotiating an Export-credit debt with UK Export Finance with an international bank for a real estate development with a Chinese builder
- Raised and managed USD 400 million since 2019 in debt for hotel construction, yielding real estate, and built-to-sell off-plan properties
- Worked with Group Treasury and Subsidiary (2015-16) on USD 500 million syndicated debt for mixed-use real estate development in Istanbul
- Raised AED 1.2 billion syndicated debt for infrastructure development and build-to-sell properties during 2017-2018

KPI's, Performance Benchmarking, and Reporting

- Exposure working on ERP Software, including Oracle and MS Dynamics, and customized reporting to various stakeholders, including investors, regulators, funders, and partners, with multiple reporting requirements and strict deadlines. Hands-on with Salesforce, EstateMaster, and in-house financial modelling for investment evaluation, and 3-tier financial statements.
- Introduced KPI templates during 2019-2021 for asset and equity growth, asset monetization, and yielding real estate properties.
- Member of the Internal Risk Committee, managing risk and ensuring compliance across the business functions and effective strategies.
- Member of the Internal Tender Committee, overseeing procurement and ensuring the timely and efficient process management.

Team Management and Financial Operations

- Spearheaded the 11 team members, financial operations, corporate finance, MIS, and procurement functions across the organization.
- Oversaw the finance function for 2 associated entities partly owned by the employer, ensuring effective execution of financial strategies.

EMPLOYMENT OUTLINE

CFO (Senior Director Grade) – Bahrain Real Estate Investment (Edamah) B.S.C.(C) (2018 – Present)

Edamah is a real-estate development arm and a fully-owned subsidiary of Mumtalakat (the Sovereign Wealth Fund of Bahrain).

- Stellar role in achieving the USD 250m in debt funding, managing a diversified debt portfolio valued at USD 400m actively.
- Pioneered efforts in executing Edamah's strategic exit from a USD 55m real estate development joint venture, serving as a key board member.
- Managed Parent's USD 300m Sukuk listing, collaborating with legal, valuation, and investment teams to ensure successful completion.
- Played a significant role in directing the financial due diligence and valuation for a USD 20m strategic investment in a listed company.
- Managed P&L for a USD 300m real estate development and hospitality JV, overseeing financial control, treasury, and operational insights.
- Set up VAT function and completed RERA registration for the real estate development, and optimized financial and procurement operations.
- Served on the Boards of two Real Estate Development Companies (Durrat Al Bahrain and Edamah Hawar Real Estate).

Key Deliverables:

- *Strategic Planning:* Create and implement financial strategies aligning with Edamah's long-term vision, investment, and market positioning.
- *Investment Oversight:* Guide investment decisions and drive the successful exit from non-core investments, generating substantial returns.
- *Financial Leadership:* Direct financial operations, corporate finance, and reporting to drive Edamah's profitability, growth, and sustainability.
- *Financing:* Manage multi-billion-dollar financing initiatives, structuring debt instruments, and overseeing debt portfolio for financial agility.
- *Risk Management:* Drive capital risk strategies, effectively allocating the resources to maximize return on investments and shareholder value.
- *Due Diligence:* Lead the due diligence for mergers, acquisitions, and strategic partnerships, ensuring value creation and risk management.
- *Advisory:* Work as the key advisor to the Board and Executive Leadership, offering insights on market trends, financial forecasts, and risks.
- *Portfolio Expansion:* Champion investment strategy, tapping potential opportunities across real estate, infrastructure, and joint ventures.
- *Financial Operations:* Manage financials, corporate finance, & reporting for Edamah, its subsidiaries, investments, joint ventures, & projects.
- *Leadership Liaison:* Liaise with leadership at Edamah & Mumtalakat to implement effective capital risk management and financial discipline.
- *Procurement Oversight:* Look after the tendering and procurement support, playing a stellar role as a member of the Tendering Committee.
- *Team Management:* Collaborate with cross-functional teams to ensure financial goals align with operational & strategic business objectives.

Head of Finance (Senior Director Grade) – Dubai South Properties (DSP) (2017 – 2018)

DSP is a group Company of Dubai World Central (DWCC), involved in Real Estate Development and Project Management

- Transformed DSP from a division within the DWCC group into a fully autonomous and independent real estate development entity.
- Led pricing validation for off-plan real estate development projects, ensuring optimal financial outcomes during 2017 and 2018.
- Secured critical project financing for high-profile off-plan real estate developments, ensuring funding and financial stability.
- Structured and valued a strategic JV with a major real estate developer, playing a stellar role in decision-making.
- Provided expert financial advisory to a subsidiary, guiding the district cooling business through the pre-opening phase.
- Looked after the RERA-Dubai audits for off-plan real estate development projects and instituted the VAT across DSP operations with ease.

CFO – International (Senior Director Grade) – Emaar Properties PJSC (2013 – 2017)

A global property developer and provider of premier lifestyles, listed as a PJSC in the UAE

- Managed real estate portfolio of Emaar's International subsidiaries worth USD 5 billion, steering real estate developments of USD 30 billion.
- Led JV reorganizations of the real estate developments in KSA and Pakistan, successfully managing splits, exits, valuations, and due diligence.
- Conducted pricing validation and feasibility analysis for off-plan real estate development projects across Egypt, Turkey, KSA, and Pakistan.
- Steered corporate funding for the real estate developments in Egypt and Pakistan, and syndicated debt for Turkish real estate development.
- Led internal and government audits, preparing and maintaining a complete risk register with the corporate team.
- Directed financials for Emaar's international portfolio, collaborating with the CEO-International on growth initiatives.

CFO – Tasweek Real Estate Private Stock Company (2009 – 2013)

A Real Estate Investment Company, along with its UAE and foreign subsidiaries

- Transformed a startup into a leading real estate investment firm, partnering closely with the CEO for long-term growth.
- Led real estate investment transactions across the UAE, Malaysia, and Morocco, successfully securing financing for developments.
- Managed key support functions, including procurement, HR/payroll, staff KPIs, and liaised with legal retainers and contractors.

Financial Controller (Senior Manager Grade) – Dubai World Group Entities (2003 – 2009)

A global holding company with Real Estate Development, Urban Development, Logistics, Maritime, and Investment / Financial Services

- Led the financial operations of Jumeirah Golf Real Estate Development Co., along with its foreign real estate developments in South Africa
- Served as senior manager at Dubai World Group's Corporate Finance function and managed financial operations, Project management, and the Boat manufacturing company via secondments
- Carried out the land valuations for golf estates in the UAE and abroad, ensuring feasibility for off-plan launches of the development projects.
- Spearheaded the implementation of an ERP system, coordinating with Dubai World for international rollout and integration.

Auditing and Consulting Experience (1993 – 2003)

- Audit Manager – Ernst and Young Middle East (merged with Andersen Middle East), Dubai (1998– 2003)
- Assistant Manager and Articleship at Pricewaterhouse, Pakistan (1993 – 1997)

ACADEMIC CREDENTIALS

- **Member** of the Institute of Chartered Accountants of Pakistan (Since 1997)
- **CMA** from Pakistan (1996)
- **Bachelor of Commerce** from Pakistan (1993)
