Experience

COUNTRY MANAGER - United Bank Limited – Bahrain

July 2023 – September 2025

- Spearheading the development and execution of UBL's country-level strategic plan in alignment with regional and global objectives.
- Driving sustainable growth in market share, profitability, and brand equity across Bahrain.
- Identifying new market opportunities and leading strategic business expansion initiatives.
- Ensuring full regulatory compliance with local laws, central bank requirements, and international banking standards.
- Leading the growth of corporate and retail banking across diverse customer segments.
- Overseeing all banking operations, including implementation and oversight of internal controls and comprehensive risk management frameworks.
- Delivering on key financial targets, including P&L performance, balance sheet strength, and other critical KPIs.
- Leading, mentoring, and developing a high-performing team while ensuring robust succession planning.
- Championing customer-centric strategies to enhance service quality and client satisfaction.
- Representing UBL at industry forums, business councils, and high-level government engagements to strengthen the bank's visibility and influence.

Business Head – Corporate & Retail – United Bank

May 2020 – June 2023

- Developed and executed comprehensive business strategies to achieve growth objectives.
- Led customer acquisition and retention initiatives to expand the client base.
- Managed key client relationships, ensuring high standards of service delivery.
- Oversaw budgeting, set sales targets, and allocated resources efficiently.
- Built and motivated a high-performing team of business managers through coaching and development.

- Fostered a results-driven culture with clear accountability and continuous skill enhancement.
- Monitored and analyzed financial performance to inform strategic decisions.
- Approved pricing, product margins, and credit proposals within authorized delegation limits.

Country Head – Trade Finance – Allied Bank – Pakistan

September 2018 – February 2020

- Developed and implemented the national strategy for Trade Operations in alignment with the bank's overall objectives.
- Provided strategic leadership and direction to regional and branch-level trade teams.
- Oversaw day-to-day trade operations ensuring seamless execution of import, export, and guarantee transactions within defined TAT and SLAs.
- Ensured strict compliance with SBP regulations, international trade rules (UCP, URR, URDG, URC), and AML/CFT policies.
- Upheld high service standards, delivering consistent and reliable client experiences.
- Mentored & developed trade operations teams across branches and regional hubs, building a culture of performance and accountability.
- Championed automation and straight-through processing to improve scalability and reduce operational risk.
- Acted as primary liaison with the State Bank of Pakistan, customs authorities, chambers of commerce, and other regulatory bodies.

Country Manager - Allied Bank – UAE

April 2016 – September 2018

- Represented the bank effectively in the local market to ensure a strong and credible position.
- Business development for Head Office, Bahrain Wholesale Banking Unit and Remittance Business.
- Strong and long-term relationship building with Financial Institutions and Exchange Houses.
- Coordination and liaising with regulators, government bodies, and other authorities to ensure compliance and foster positive relationships.
- Established, implemented, and maintained robust internal controls to safeguard the bank's operations and ensure adherence to policies and procedures.

Country Manager – Allied Bank – Bahrain

December 2011 – April 2016

- Successfully set up a Wholesale Banking Unit, including obtaining licensing from regulators across multiple countries, securing Commercial Registration, establishing SWIFT connections, and opening NOSTRO accounts.
- Built and maintained strong FI relationships, arranging Funded and Non-Funded credit lines globally to support banking operations and growth.

- Established and managed International Treasury Operations, ensuring effective liquidity management and operational efficiency.
- Developed and managed both Asset and Liability Portfolios, maintaining a balanced and optimized book on both sides.
- Partnered with global correspondents to execute MRPA's and actively participated in funding and non-funding transactions.
- Arranged and participated in international loan syndications, contributing to large-scale financing projects in collaboration with global institutions.
- Actively engaged in International Trade Transactions with Global Correspondents and the International Islamic Trade Finance Corporation (ITFC).
- Spearheaded the development of a robust investment portfolio, aligning with strategic objectives and market opportunities.
- Effectively managed dealings with regulators and local authorities, ensuring compliance and fostering strong working relationships

Chief Manager – Corporate Centre – Allied Bank, Lahore

May 2006 – December 2011

- Established a Corporate Branch of Allied Bank Limited dedicated to serving large corporate clients, including recruitment, training, and team development.
- Designed and implemented streamlined processes and operational systems, later adopted across all five Corporate Centers in Pakistan.
- Managed high-value portfolios, overseeing large volumes of Trade Finance, General Banking, and Cash Management services.

Chief Manager – Corporate Branch – Meezan Bank, Lahore

September 2002 – May 2006

- Pioneering team member instrumental in establishing Meezan Bank as Pakistan's first Premier Islamic Bank.
- Directed and managed a large multidisciplinary team, including departmental heads across Corporate Banking, Trade Finance, Operations, Consumer Finance, Credit Administration, and Customer Services.
- Built and managed substantial asset and liability portfolios, contributing to the bank's financial growth and market presence.
- Coordinated branch network expansion initiatives, overseeing staff recruitment, training, and operational setup to ensure successful rollouts.
- Organized staff training programs and public seminars to promote and educate stakeholders on Islamic Banking, strengthening market awareness and adoption.

Manager – Trade Finance – Emirates Bank Limited

July 1990 – September 2002

- Managed and grew high-value business volumes, ensuring operational efficiency and profitability.
- Developed and maintained strong corporate client relationships, enhancing customer satisfaction and long-term partnerships.
- Executed successful cross-selling strategies, with a focus on Trade Finance and Liability Products, contributing to business growth and revenue diversification.
