## SKILLS

- Diesel specialist
- Parts inventory management
- HGV repairs
- Mechanical repairs
- Preventative repairs
- Electrical repairs
- Root Cause Analysis
- Hand fork adept
- Technical support
- Automotive repair
- Vehicle maintenance and repairs
- Engine component knowledge
- Website troubleshooting
- Alignment experience
- Repair documentation
- Brake servicing
- Preventive maintenance
- Wheel rotation and balancing
- Repair tree understanding
- Vehicle inspections
- Customer Service
- Cost estimation
- Estimations expertise

- Maintained a strict focus on safety protocols, contributing to a zero-accident work record
- Collaborated closely with colleagues and supervisors to ensure efficient workflow and timely project completion
- Assisted in inventory management, tracking spare parts and supplies.

#### **Diesel Mechanic, 06/2014 - 05/2018**

##### **Abdullah A.M AL Khodari Sons - Jeddah , Saudi Arabia**

- Conduct thorough diagnostic tests to identify mechanical, electrical, and hydraulic issues in diesel engines and associated systems
- Perform repairs and maintenance tasks on diesel engines, including but not limited to engine overhauls, component replacements, and brake repairs, to ensure optimal performance and safety
- Conduct routine inspections of diesel vehicles to identify and address potential problems before they lead to breakdowns or accidents
- Investigate and resolve complex mechanical issues by using specialized tools, diagnostic equipment, and technical manuals
- Perform welding and fabrication work when required to repair or modify vehicle components
- Maintain an organized inventory of replacement parts and order necessary supplies to ensure timely repairs
- Ensure that all repairs and maintenance activities comply with safety regulations and standards.

#### **Forklift & Generator Mechanic, 05/2012 - 04/2014**

##### **Frozen 1888 Textiles Mill LTD - Karachi , Pakistan**

- Conduct thorough inspections of vehicles and machinery to identify mechanical, electrical, and hydraulic problems
- Perform repairs and maintenance tasks on a wide range of vehicles and equipment, including cars, trucks, motorcycles, construction machinery, or other specialized equipment
- Conduct welding and fabrication work when necessary to repair or modify vehicle and machinery components
- Maintain an organized inventory of replacement parts and supplies, ensuring that necessary items are readily available for repairs
- Respond promptly to emergency repair requests, demonstrating the ability to work efficiently under pressure.

#### **Mechanic Helper, 06/2011 - 05/2012**

##### **RAZI & SONS Automotive Manufacturing Company - Karachi, Pakistan**

- Help mechanics conduct routine inspections of vehicles and machinery to identify mechanical, electrical, and hydraulic problems
- Assist in basic maintenance tasks, such as oil changes, filter replacements, tire rotations, and fluid checks, under the guidance of experienced mechanics
- Maintain a clean and organized work area, ensuring tools, equipment, and parts are properly stored and easily accessible
- Help clean and maintain tools and equipment to ensure they remain in good working condition
- Be ready to assist with emergency repairs and maintenance tasks when required.
