EDUCATION

Bachelor of Technology , Electrical and Electronics Engineering St. Peter's Engineering College, Hyderabad CGPA	2020 – 2023 7.35
--	-------------------------

SKILLS

Core Skills	PLC Programming, HMI/SCADA Development, Site Commissioning, Panel Wiring, Machine Validation
--------------------	---

Soft Skills	Problem-solving, Time management, Communication, Teamwork and Decision Making
--------------------	--

EXPERIENCE

Junior Automation Engineer Officer Ran Industrial Automation & Controls Pvt. Limited	Oct 2025 - Present <i>Hyderabad, India</i>
---	---

- Programmed and debugged PLC & HMI systems for automation projects.
- Assisted in commissioning and troubleshooting of control systems.
- Executed panel wiring, I/O testing, and loop checks with accuracy.
- Supported SCADA integration and PLC validation to ensure reliability.

Junior Officer Aspiro Pharma Limited	Nov 2024 – Sep 2025 <i>Siddipet, India</i>
---	---

- Managed and coordinated HVAC project execution, ensuring timely completion and compliance with technical standards.
- Assisted in system design, maintenance, and troubleshooting for large-scale HVAC installations and worked with project teams, engineers, and contractors to optimize operational efficiency.
- Gained hands-on experience with technical documentation, project planning, and site supervision.

PROJECTS

Improving Battery life of E-Vehicle using Regenerative braking and Super-capacitor

This is a project that generates electricity where there is wastage of energy when brake is applied and store it via super-capacitor to improve battery life.

This project was built as a college project with a team of 3 people where my responsibilities included developing the project and managing the project as a leader and cutting down losses by 25%.

ACHIEVEMENTS

Ranked **3rd** in the **Project Expo** event - **AQUILLA 2022** in college

Top performer in Programming with **C** and **C++**, in **Internshala** with **100%** score [\(Certificate\)](#)

Virtual Experience Program on Crack leak password database certificate by Forage [\(Certificate\)](#)

POSITION OF RESPONSIBILITY

Department Activities Association Committee St. Peter's Engineering College	Mar 2022 – Sep 2022 <i>Hyderabad, India</i>
--	--

The DAAC committee enhances students' employability by offering training in skills not usually taught in academia, including Soft Skills.
