## PROFESSIONAL EXPERIENCE

### International Commodity Buyer (Procurement)

Horse (Power Generation Sector)– Valladolid, Spain– **Jan 2025 – Present**

- Managed a €300M procurement portfolio, negotiating contracts and ensuring cost efficiency, delivery reliability, and compliance with technical and quality requirements.
- Coordinated with engineering and quality teams and maintained supplier relationships across Europe, Latin America and Asia to support long-term sourcing strategies for critical engine components.

### International Commodity Trader (Procurement)

Renault SA (MNC) – Valladolid, Spain– **Jun 2023 – Dec 2024**

- Designed and executed sourcing strategies that reduced procurement costs by 15% and streamlined supply chain efficiency by 20%.
- Ensured compliance with international trade regulations, import–export controls, and supplier governance standards, using SAP for procurement lifecycle management.
- Built and managed partnerships with 50+ suppliers and stakeholders across Europe, Africa, and Asia, strengthening supplier performance and supporting project delivery through on-site capability assessments and continuous improvement initiatives.

### Accounts Payable Clerk (Accounting)

DS Smith Ibercia – Valladolid, Spain– **May 2022 – Dec 2022**

- Reconciled high-volume invoicing and procurement records with 99% accuracy, supporting financial compliance and transparent vendor payment processes.
- Resolved supplier billing discrepancies to maintain continuity of supply relationships and operational delivery.

### Administrative Support (Sales)

San Cayetano Hinojosa – Valladolid, Spain– **Jan 2021 – Dec 2021**

- Coordinated sales documentation and procurement-linked customer orders to support contract execution and on-time delivery.
- Managed project timelines and supplier coordination to maintain service reliability and customer satisfaction.

### Assembly Production Associate (Production and Supply Chain)

Adient – Valladolid, Spain– **Jan 2013 – Dec 2020**

- Coordinated production workflows and material supply to sustain a 98% on-time delivery rate for high-volume manufacturing operations.
- Supported cross-functional teams to meet productivity, quality control, and continuous improvement objectives.

## DEVELOPMENT AND COMMUNITY PROJECT EXPERIENCE

- **International Trade Research (United Nations and Morobe Development Foundation, Papua New Guniea) 2024:** Conducted research on global value chains and economic development in Papua New Guinea, informing policy insights aligned with SDG 8.
- **International Trade Literacy (University of the Philippines) 2024:** Delivered lectures on trade dynamics and policy impact to faculty and students, demonstrating ability to produce and communicate economic analysis.
- **Private Sector Development 2020-2023:** Provided business development consultancy supporting strategic planning, market research, and operational setup to startups, promoting local entrepreneurship in the Philippines
- **Community Development (Department of Labor and Employment-Philippines) 2019-2023:** Managed acquisition and liquidation of international grants, supporting community welfare and library construction.
