Summary

As Legal Advisor and Law graduate from King Saud University with over four years of experience in legal consultancy. **Dual-certified in Governance, Risk, and Compliance (GRCP & GRCA)**, I possess a strong ability to lead GRC frameworks, conduct rigorous risk assessments, and ensure regulatory alignment. My background combines legal drafting expertise with technical knowledge in **cybersecurity and Anti-Money Laundering (AML)**, enabling me to implement robust policies and manage compliance audits effectively. I am eager to leverage my strategic mindset to enhance governance standards and deliver comprehensive reporting to senior management.

Professional Experiences

Legal Advisor – Litigation Manager | Al-Tweam Legal consultancy CO. Jan 2022 – Oct 2025

- Represented clients in various legal disputes before judicial and quasi-judicial authorities, achieving favorable outcomes in most cases.
- Provided legal consultations covering general, commercial, labor, insurance, criminal and administrative matters.
- Reviewed and drafted legal documents, ensuring regulatory compliance and minimizing contractual risks..
- Resolved conflicts through reconciliation, saving time and resources, while managing the Human Resources Department and collaborating with police and security authorities on complex legal matters.

Legal Intern | Administrative Court (**Board of Grievances**) Feb 2021 - Apr 2021

- Participated in judicial hearings at the Riyadh Administrative Court, assisting judges with case evaluations and legal research.
- Contributed to the submission and review of judicial decisions, ensuring proper documentation and compliance.
- Supported the court with administrative tasks, enhancing case management efficiency, and collaborated with judges in analyzing complex administrative disputes.

Supervisor | Alsager Co. Jan 2016 - Feb 2018

- Provided legal assistance in labor-related cases, ensuring full compliance with labor laws.
- Supervised labor disputes and handled transactions with government entities, ensuring timely processing.
- Prepared legal reports to support decision-making and ensure regulatory compliance, while streamlining operations and reducing legal risks through adherence to regulations.
