PROFILE SUMMARY

Detail-oriented finance professional with strong analytical skills and experience in financial modeling, valuation, investment analysis, and forecasting. Proven ability to provide strategic financial insights to drive growth and efficiency. Adept at leveraging advanced Excel skills to create complex financial models and streamline data analysis processes. Skilled in collaborating effectively within dynamic, fast-paced environments.

EDUCATION

Bachelor of Business Administration

Oct 2018 - Oct 2022

University of Education, Lahore.

CGPA: 3.48/4.00

WORK EXPERIENCE

MorseBridge Ventures - Finance Intern (Remote)

July 2024 - Present

Dubai, United Arab Emirates.

- Prepared financial models for venture capital projects, start-up fundraising, and business acquisitions.
- Created dynamic dashboards in Excel to track key financial metrics, visualize data trends, and present insights from financial models.
- Developed detailed revenue forecasting models to project future financial performance and support strategic planning.
- Conducted market research and competitor analysis to support investment strategy and decision-making.

Promo Brick Accounts and Finance Executive

Mar 2023 - Oct 2024

Lahore, Pakistan.

- Assisted in the preparation of financial statements and reports, ensuring accuracy and compliance with accounting standards.
- Supported month-end and year-end close processes by reconciling accounts and preparing necessary documentation.
- Managed accounts payable and receivable functions, including invoice processing, payment disbursement, and collections.
- Monitored financial transactions and conducted regular reconciliations to maintain accurate financial records.

Soneri Bank Limited - Intern

Sep 2021 - Oct 2021

Lahore, Pakistan.

- Assisted the branch team in maintaining records, ensuring all documents were accurately filed and easily accessible.
- Supported the clearing of payments, helping to streamline daily financial transactions and ensure timely processing.
- Facilitated the account opening process, guiding customers through required documentation and procedures.
- Contributed to the opening of 30 new bank accounts and the reactivation of over 50 dormant accounts through proactive outreach and cold calling efforts.

SKILLS DEVELOPMENT AND CERTIFICATIONS

JPMorgan Investment Banking Job Simulation

- Identified an ideal M&A target for a client based on an assessment of their strategic and financial criteria.
- Constructed a DCF model to calculate the valuation of the M&A target and adjusted the model to account for a competitor bid and supply chain interruption.
- Created a 2-pager for the client containing a company profile and summary of the auction process.
