- Proven track record of improving student outcomes, fostering critical thinking, and promoting social emotional growth.
- Proven ability to cultivate students' problem solving skills, and mathematical reasoning.
- Skilled in curriculum development, assessment design, and technology integration.
- Committed to lifelong learning, collaboration, and empowering students to reach their full potential.
- Student-centered approach to develop problem solving skills.
- Skilled in teaching various mathematics subjects, including Calculus, Algebra, Geometry, Statistics and Math literacy.

EXPERIENCE

**TEACHER - GYAAMA PENSAN SENIOR HIGH TECHNICAL SCHOOL, ASHANTI. AUGUST 2022
– PRESENT**

- Teach senior high school students' core and additional mathematics.
- Delivering engaging lesson that foster deep understanding and enthusiasm for mathematics
- Encourage critical thinking, problem- solving, and collaboration.
- Evaluate student academic growth, keep student records and preparing progress reports for guardians or parents
- Plan lessons with good objectives, based on standardized curriculum
- Apply gender equality and social inclusion (GESI) in my teaching, and also consider my students social and emotions.
- I prepare best lesson notes, study guides which makes teaching and learning mathematics simple during my lessons

- As a form master I keep records of my students attendance, behavior and parents meetings, discuss how best we can assist them in teaching and learning
- A member of mathematics and science team.

MENTEE - SIMMS SENIOR HIGH SCHOOL, FAWOADI, ASHANTI. GHANA. JANUARY 2022 – APRIL 2022.

- I taught Mathematics in the second-year classes at SIMMS for full one semester as my internship.
- After one month I fully performed the duty of my mentor for the rest of the three months where I fully coordinated series of meetings with my classes in the absence of their tutor throughout the semester
- A member of the school examination committee where I set year two core mathematics examination questions for the end of the semester.
- A member of school sports team, mathematics and science quiz.

MENTEE - DENYASE D/A EXPERIMENTAL SCHOOL, DENYASE ASHANTI, SEPTEMBER 2010 – OCTOBER 2011

- I taught Junior High first and second year students Mathematics and Science for one academic year

TEACHER - TABRE D/A EXPERIMENTAL JUNIOR HIGH SCHOOL. SEKYERE SOUTH MUNICIPAL. ASHANTI. SEPTEMBER 2011 – AUGUST 2018

- I taught basic school Mathematics in junior high first, second, and third-year classes.
- I taught Information and Communication Technology (ICT) in first, second and third year classes.
- As a head of ICT department. I attended series of Ghana Education Service IT workshops.
- I coordinated series of IT workshop to my staff and students.
- I recorded my student's assessment, evaluation and gave report to their parents and guardians.
- As a member of the school debate and drama group, we won 2015 debate and drama competition in our circuit.
- As a member of all third-year classes' teachers, I recorded the highest marks in West African School Certificate Examination (WASCE) in the year 2016 for my circuit.

ASSISTANT HEAD TEACHER - AL-AZIZ ISLAMIC SCHOOL. KUNSU. AHAFO-ANO SOUTH MUNICIPAL. ASHANTI. SEPTEMBER 2006 – SEPTEMBER 2008

- I taught primary two, three and four Mathematics, Science, English language, Ghanaian language, History and ICT.
- As ASSISTANT HEADTEACHER, I act as a head teacher in the year 2007 when the Headmistress was in maternity leave.

EDUCATION

JULY 2022

BSC. MATHEMATICS, UNIVERSITY OF EDUCATION WINNEBA (UEW)

With Specialization in abstract Algebra, Calculus, Differential Equations, complex analysis, Mechanics, Geometry, Probability and Statistics, PC Computing, Methods of teaching mathematics, Principle and Practice of Teaching, Communication Skills and Special needs education.

JULY 2011

DIPLOMA IN BASIC EDUCATION (DBE). UNIVERSITY OF CAPE COAST (UCC)

Studied Science and Mathematics with Biology, Chemistry, Physics, Algebra, Calculus, Geometry, Statistics and Probability, English Language and Methods of teaching basic schools Science and Mathematics.

JULY 2005

SECONDARY SCHOOL CERTIFICATE, KINGS COLLEGE

Studied Business Management, Accounting, Economics, Elective Mathematics, Integrated Science, Social Studies, English Language and Core Mathematics.

SKILLS

- Effective lesson planning and delivery skills
- Curriculum development and implementation
- Technology integration (educational software, online resources)
