### Professional Experience

---

**Senior Project Director - DFS Group, HK Headquarters** **2023 – 2024**

**Project Director - DFS Group, HK Headquarters** **2021 – 2023**

- Managed flagship store projects in key regions, including Hong Kong, Macau, Mainland China, Japan, and the Mid Pacific, enhancing project policies.
- Oversaw projects exceeding \$150 million USD for alterations and additions, and fit-out, ensuring compliance with regulations as well as quality and design standards.
- Led management across design, brand management, project management, operations, merchandise, visual merchandising, facility management, landlords, government authorities, consultants, contractors, and suppliers.
- Directed major projects including stores at Four Seasons, City of Dreams, and M8 in Macau, Sun Plaza in Hong Kong, and Mission Hills in Hainan, along with projects in Okinawa, Japan, Guam, and Saipan.

**Vice President - Galaxy Entertainment Group, Macau** **2019 – 2021**

- Established a new Design and Development team, fostering innovation by refining project policies and standard operating procedures (SOPs) to enhance efficiency and quality.
- Managed 4 robust teams including Project Management, Interior Design, MEP, and Commercial, comprising 30 members.
- Oversaw the refurbishment and renovation of resort hotels, casinos, and shopping malls to enhance the guest experience.
- Led the upgrading of existing Galaxy properties, namely Galaxy 2.0, by redeveloping luxury properties across existing Phases 1 and 2 (11M ft<sup>2</sup>), while also managing new construction developments for the new property Phase 3, which includes casinos, convention facilities, food & beverage outlets and main kitchen (1.7 M ft<sup>2</sup>).

### **Head of Projects - Swire Hotels Group, HK Headquarters**

**2013 – 2018**

- As department head, established the Projects and Facility Management Department across Hong Kong, Mainland China, the United Kingdom, and the United States. Managed a talented team of approximately 200 direct and indirect teammates, including project managers, designers, quantity surveyors, engineers, technicians, and administrative staff.
- Oversaw 8 hotels with 5 serviced apartments (approximately 3,000 keys), 9 standalone restaurants, and 2 kitchen factories, including both new developments and refurbishments in various regions.
- Developed standardized policies (SOPs), documentation templates, and a vendor registration system, incorporating periodic assessments to streamline operations.
- Achieved enhanced cost savings and time efficiency through process re-engineering, ensured timely compliance with licensing requirements, and implemented on-the-job training programs for staff.

### **Manager - Maxim's Group, HK Headquarters**

**2006 – 2013**

- Re-engineered the Projects & Engineer Department (PED) by establishing new PED branches in key cities across Greater China to support rapid growth.
- Managed a diverse team of approximately 100 members, including project managers, engineers, interior designers, draftsmen, technicians, quantity surveyors, licensing professionals, and administrative staff.
- Successfully completed over 2,000 projects and managed more than 850 outlets across Hong Kong, Macau, and Mainland China, utilizing various operational models.
- Implemented innovative bulk-tender procurement strategies that achieved significant cost savings and reduced development timelines, facilitating rapid business growth. Additionally, led catering for the Beijing 2008 Olympic and Paralympic Equestrian Events and developed a Public-Private Partnership for patient meal services with Hospital Authorities, creating a pioneering model for Asia.

### **Construction Manager - HK Disneyland Resort Theme Park**

**2004 – 2006**

- Led the Main Street project, overseeing all phases from concept and design through to construction, including infrastructure and landscaping.
- Completed all third-party projects ahead of schedule and within budget, covering Tomorrowland, Fantasyland, Adventureland, and Disney Hotel.
- Enhanced customer experience by developing Front of House and Back of House structures that integrated essential services and merchandise displays. Provided team support to ensure timely project completion for the grand opening of the theme park, including themed areas and facilities.

### **Project Manager - Shimizu Corporation**

**2000 – 2004**

- Managed the Interior Section, overseeing Projects and Design Departments, and implementing building projects to ensure timely delivery.
- Established new procedures that significantly shortened project timelines and enhanced cost and quality control through an approved contractor list.
- Collaborated effective communication and risk management throughout project lifecycles, ensuring successful handover and final account settlement. Led major projects like Nomura Group, Mizuho Bank, Hong Kong Disneyland, Little Sister of the Poor, Kowloon Hotel, Hang Seng Bank, and English Schools Foundation.
