PERSONAL PROFILE

I am a skilled Boilermaker and Pipe Fitter with extensive experience across various industries, specializing in welding, fabrication, and pipe fitting. I've gained hands-on expertise at respected companies like Dormac and Samhil Investment CC, where I consistently prioritize precision and safety in challenging environments. My technical foundation was built through internships at Francous Bou De Klerk CC, Chrismar Welding and Fabrication, and Bezer's Trailer and Body Crash, which helped me develop a thorough understanding of industry standards. I am a reliable, health-conscious professional with a strong dedication to my craft and a clean record.

ATT:APPLYING FOR A VACANT POSITION

Dear Hiring Manager

I am writing to express my interest in the BoilerMaker position as advertised. With over five years of hands-on experience in industrial metal fabrication and pipe fitting, combined with my National Trade Certificate N3 from Northern NIMT campus, I am confident in my ability to contribute effectively to your team.

Throughout my career, I have successfully executed a wide range of projects, demonstrating proficiency in welding, blueprint interpretation, and precise measurement. My expertise includes assembling, installing, and maintaining boilers, ensuring adherence to safety standards and efficient production processes. I am well-versed in working with various metals and possess a meticulous eye for detail, ensuring the highest quality in every project.

My National Trade Certificate N3 has equipped me with a strong foundation in theoretical knowledge, complementing my practical skills in the field. I am adept at collaborating with multidisciplinary teams, communicating effectively with colleagues, and prioritizing safety protocols to create a secure work environment.

I am impressed by your company's commitment to excellence and innovation in the industry, and I am eager to bring my skills and dedication to contribute to your continued success. I am confident that my experience and qualifications align with the requirements of the position, making me an ideal candidate for the BoilerMaker role.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experience can benefit your company. Please find my resume attached for your reference.

Sincerely,

Joel K Eino

To whom it may concern,

This is to confirm that Mr. Eino K Joel ID 970504 0027 0, was employed by **Samhil Investment CC** as a Boilermaker/ PipeFitter from 13 March 2024 to 31 July 2024, at **Nampower Anixas** under **A.S Bidud Construction & Engineering (Pty) Ltd**. Mr. Joel is a vibrant and intelligent person who perfectly mastered his work and exercises it with dedication. He is active, open minded and has a very good cordial relation with everyone.

He has been doing Metal, Piping and Rigging works on the Vessels as well as at the Workshop. He gained good experience in Construction and Marine, repair and maintenance through hard work and commitment, which in turn paved a way for him to work independently and without much supervision.

We strongly recommend him and wish him all the best in his future endeavors.
