About the Waves Corporation Limited:(Jan 2024 – Nov 2024)

Waves Corporation, a holding company, has a legacy stemming from Singer's brand, established in 1850. The company, listed on the Pakistan Stock Exchange, manages investments in subsidiaries engaged in the manufacturing and assembly of domestic consumer appliances.

Career Achievements:

- Managed cash flow to ensure financial stability and liquidity.
- Oversaw day-to-day financial transactions, ensuring timely month-end closures.
- Ensured VAT compliance through accurate calculations and timely return filing.
- Conducted month-end reconciliations maintaining financial accuracy.
- Recorded financial transactions including journal entries, general ledger, and invoices.
- Managed bank loans, facilities, and bank reconciliations for accurate reporting.
- Developed accounting policies, procedures, and job structures for the finance department.
- Led audit finalizations for Mughal Iron and Steel and Shadab Textile Mills on PSX, managing teams of 7 and 5.
- Managed audit teams across 10 plus clients, ensuring timely completion.
- Led 11 accounting professionals at Waves Home Appliances, overseeing IAS compliance.

Roles & Responsibilities:

- Supervision and preparations of financial statements by IFRSs and corporate regulations
- Collaborated with management to understand and fulfill instructions.
- Ensured adherence to regulatory requirements, maintaining compliance and mitigating risk.
- Advising client over accounting treatment of transactions in the light of reporting standards.
- Managed the fixed asset register, ensuring accurate tracking, valuation, and regular audits of all company assets.
- Ensure proper accounts reconciliation including bank accounts and related party transactions.
- Supervised accounts payable and receivable processes, ensuring timely payments, accurate records, and smooth cash flow management.
- Carrying out risk assessment procedures. Based on risk assessments and with the consultation of the engagement manager, designed audit programs, test of control procedures, and substantive procedures to address assessed

risks.

- Managing the account payables (AP), account receivables (AR) and relations with them.
- Manage and control the execution of all accounting activities (GL, AR, AP & Inv).
- Ensure the recording of inflows and processing of payments (corporate, payroll etc.).
- Ensure the compliance with IFRS, IASs, and company's internal policies and procedures.
- Coordinate with external and internal auditor for facilitation of financial statement validation.
- Provide training to new and existing staff as needed.
- Maintained good working relationships with banks for Financing, investments and other ancillary matters.
